Even now there is a clerk for the District Educational Council who is personally attached to the President, District Educational Council though he is a temporary clerk of this office.

When the office of the District Educational Council was removed to one of the rooms of this office as per orders of the District Educational Officer the machine was brought into this office building. Afterwards on the amalgamation of that office with this, I had to take charge of all the records, furniture etc. of that office I para 2 of G.O.No.1174 Law (Education) Department dated 18-7-24 communicated in your endorsement Dis.No.36 N/24 dated 29-7-24, Government have ordered that the duplicating machine purchased for the use of the District Educational Council should be brought to the furniture list of this office. To The Secretary to the Government of Madras

L a w (Education)

Department.

Sir,

In resubmitting herewith Government endorse-
ment 549 A-1 dated 17-2-26 I have the honour to state as
follows:-

2. The typewriter was purchased in January 1923
by the District Educational Council the Nilgiris from the
unspent balance available with it under 'office and establish-
ment expenses.' from the amount sanctioned in 1921-22. The
purchase was approved in G.O.No.1514 L.E., dated 1-11-23.

3. In G.O.No.1027 L.E., dated 24-7-23 the
District Educational Council's office was amalgamated with
the office of the Deputy Inspector the Nilgiris range.

* No specific sanction of Govt. for the purchase
was obtained. Vide also portion A of
Law (Edn)'s notes at p. IV.F.

The undersigned is directed to invite
attention to the communication noted in the
margin and to request that the
information may be returned at once with
(1) the date by which a reply may be
submitted and
(2) the date by which a reply may be
submitted.

Consequently the establishment attached to the District Educational Council was abolished and the Deputy Inspector's office was strengthened by a temporary clerk and peon who are personally attached to the President. Ever since the amalgamation the machine has been in the possession of the Deputy Inspector and it is reported that the temporary clerk is using the machine for work connected with the Council. The District Educational Officer Coimbatore and the Nilgiris and the President District Educational Council report that the typewriter is quite necessary for the office of the Deputy Inspector for doing the work of the council- vide copy enclosed. Further the machine has been brought on the furniture list of the office of the Deputy Inspector of Schools, the Nilgiris with reference to G.O. 1174 L.E., dated 18-7-24. In these circumstances I consider that the machine should be retained by the Deputy Inspector the Nilgiris range so long as the office of the District Educational Council the Nilgiris is amalgamated with the office of the Deputy Inspector of Schools.

4. In regard to the supply of accessories it is reported that since the machine has been bought on the furniture list of the Deputy Inspector's office the accessories are now ~~Govern~~ *got* ~~sent~~ from the Superintendent of Stationery on indent through the District Educational Officer Coimbatore and the Nilgiris. No provision has been sanctioned under 'contingencies' to the District Educational Council ever since its amalgamation and any expenditure thereunder is being met from the allotment of the office of the Deputy Inspector, the Nilgiris Range. Therefore the existing practice may continue.

I have the honour to be,

Sir,

Your most obedient servant,

3. Accessories to the typewriter may be supplied free of cost just as stationery articles are supplied.
