Respectfully Sheweth

That your Excellency's petitioners respectfully beg to approach your Excellency in Council with her following prayers and hoping that the same may be kindly heard and granted.

That your Excellency's petitioner is a carnatic stipendiary drawing Rupees 8 per mensem and with this income she had to provide for herself and her children among whom she has one son by name Mr. Turab Hussain to whom she was able to give some education as far as pre-matriculation standard which her petty means afforded, after which she have^d with-draw him from the Institution mainly in view of her inability to incur his further education expenses. Since she is already overwhelmed with various debts incurred solely towards his school expenses.

My son being quite tired of idleness at home had to apply to several Public Offices for a small appointment, but whenever he went he had the misfortune of being returned disappointed as an unpassed Candidate. Being so disappointed of securing any employment in local offices where it appears the demand of graduates is there he recently applied for a Sub-Inspector's Post in the Salt and Akshari Department the reply-

used to release afresh and con-
ly her claim was disallowed, here with enclosure
Original for your Excellency's kind perusal and
return.

4. Your Excellency's Petitioner is given
to understand that the Government has been pleased
to exempt several individuals of the Carnatic and
Avaleunda jagirdars families from passing the
Upper-Secondary Examination merely to enable
them to enter the Police and Salt Departments, and
thus saved them from ruin in which they would have
been miserably involved otherwise.

5. Petitioner begs to quote a very recent
case in which one Lutfi Khan Rahman Sahib a cousin
of her has been exempted from the Upper-
Secondary Examination to enable him to enter in
the Salt Department vide G. O No 803 dated 2nd
Dec 1899 educational.

6. She therefore fervently prays
that the benign Government will be pleased to
Exempt her son from passing the Upper-Secondary
Examination to enable him to enter the Salt
Department, which she presumes is the only
door left him open to serve and thus to save him
self and his dependants from starvation and
misery.

7. If this concession is denied to

to her nature to assure your Excellency
that she with her children will be driven ~~out~~
the verge of poverty with no door to take shelter
under and thus to lose the dignity of her fore
fathers which she has been maintaining till now
with great difficulty

8. It will not be out of place to a
that your Excellency's petitioners son is a young man
of 24 years, and is in every way fit for the out-
door work of the Salt Department. This petition
is in his own hand-writing.

9. In conclusion your Excellency's
petitioner begs to throw herself upon your Excellency's
mercy and pray that her earnest request may
be complied with

10. For which act of kindness and
mercy your Excellency's petitioner is in duty
bound ever pray for your Excellency's long life
health and prosperity

I beg to remain
Respectfully Shewas
Your Excellency's most obedient & humble
