To

The Director of Public Instruction,

Madras.

I have the honour to forward for favourable consideration.
2. The appointment of Assistant to the Professor of Hygiene is one demanding special scientific knowledge and laboratory experience of a wide and varied kind, and I consider the present emoluments of the appointment are insufficient to permanently retain the services of an officer with these qualifications.

CURRENT No. 108 OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 23rd January 1900.

No. 450

From

THE HON'BLE MR. G. H. STUART, M.A., *Barrister-at-Law*,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE SECRETARY TO GOVERNMENT,
Educational Department,
Fort St. George.

SIR,
X to be
kindly returned
when no longer
required.

X
I have the honour to submit the enclosed
application from the Assistant to the
Professor of Hygiene, Medical College, together
with the endorsements of the Professor of Hygiene and the Principal
of the College, requesting that his prospects and position in the
College may be improved by the inclusion of his appointment in the
Provincial Educational Service.
2. The office of Assistant to the Professor of Hygiene was
created in March 1892 under G.Os. No 38, Educational, dated 14th
January 1892 and No 82, Financial, dated 23rd January 1892, a pay of
Rs. 100-10-150 being attached to the appointment. Originally Mr.
Grigg proposed a salary of Rs. 100-200 for the post, in view of the
fact that the nature of duties of the Assistant required a man
with high attainments in Hygiene and Chemistry. Subsequently,
in his letter No 14560, dated 19th December 1891, Dr. Duncan consider-
ed that a salary of Rs. 100-10-150 would be sufficient in the
beginning for a medical graduate unconnected with the medical
service. A graduate with similar qualifications to those of
the present incumbent took charge of the appointment in March 1892,
but he resigned it in 1895 to take up an appointment carrying
higher emoluments in the Chemical Examiner's office. Since
then, M.R. Ry. P.S. Chandrasekhar, who has taken the B.A. degree in

Enclos. No. 2
To
Q. No. 108

Advanced Chemistry with Physics and the M.B. & C.M. degree of the University of Madras and who also possesses an elementary knowledge of bacteriology, has been holding the office with credit. His retention in the College is very desirable, as he has gained considerable experience in laboratory work and is not liable to transfer, being a purely educational officer with no lien in the Medical Department-unlike the other Assistants in the College who are all medical subordinates and are liable to be withdrawn from their educational work at any moment.

3. Dr. Duncan, while admitting the claim of M.R. Ry. P.S. Chandrasekhar to an increase of salary, did not consider that there were sufficient grounds for recommending the inclusion of his appointment in the Provincial Educational Service; but was of opinion that, considering the responsible nature of his work and comparing the pay drawn by him with the consolidated pay of the other assistant, a salary of Rs. 150-10-200 would not be too much for a man of Chandrasekhar's qualifications. In this view both the Surgeon-General and myself fully concur. I beg to recommend, accordingly, that the pay of the post of Assistant to the Professor of Hygiene be raised from Rs. 100-10-150 to Rs. 150-10-200, with effect from ^{1st} last August 1900, the date on which M.R. Ry. Chandrasekhar becomes entitled to Rs. 150, the maximum pay of his present grade.

4. The necessary proposition statement will be submitted on receipt of the orders of Government.

I have the honour to be,
Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

(a) With the A.G. kindly -
whether in case the pay of the
appointment is now fixed at
Rs 100-10-200 Chandrasekhar
Ayar will be able to draw ^{a salary of Rs.}
from 1st August next and an increase of Rs 10 every
five years ~~for the increments regularly~~
Subsequent year till the maximum of Rs 200
and without interruption? ~~It~~
is reached. It
would seem that articles 171 (a)
and 173 C.S.R. will stand in his
way; but, if so, with A.G. kin-
say what should be done to avoid
the difficulty? Can Govt. give
the pay of the appointment with
retrospective effect from 1895?

unmaturely as long as they
 truly do not raise the value
 of the appointment for the parti-
 cular office concerned beyond
 Rs 250 a month. In this case
 therefore I would say that
 under the rules Mr Chandra-
 selkhara Iyer can draw 140 Rs
 if the pay of the appointment
 * now changed to 100-10-200) -
 which he is at present drawing,
 but will have to wait till 1.3.1905
 to get 150 Rs and so on onwards
 10 Rs for every year.

The Local Government can however
 mention his drawing his increments
 unimpaired so as to secure for him
 Rs on 1-8-1900, 160 Rs 1-8-1901
 and so on, if they consider the
 case to be a special one deserving
 special treatment. (See 167(a) Civil
 Service Regulations).

... of Mr. Chandrasekhar.
This is desired I will point out
it is the attainment by fixing
Mr. Chandrasekhar a personal
income and not by raising
pay of the appt. Not for
Chandrasekhar and it will
not attract more of similar
applications when necessary in
time.

Suppos.

This difficulty may be met
by fixing the pay of the appt
at 100-10-200. I don't think
Rs 100-10-150 is enough to
attract & keep well-qualified
men.

I do not think it is
applicable as the person
is not in the service
to be in immediate advantage
to the state. But retrospectively
effect from 1895 might be
advised - as the salary might
be made 150-10-200 with a

it will be 100-10-200
A.S. might be considered.
