TO

His Excellency the Right Hon'ble

The Governor of Fort St. George in Council.

The humble memorial of Wilfred Killocksley Green an acting Assistant Inspector of the Salt, Abkari & Customs Department, now on plague Duty in the Bellary District.

Showeth:-

That your Excellency's Petitioner is an under-Graduate of the Madras University, that he left school at the early age of 17, having to provide for himself, and then entered Government service as a clerk in the Hyderabad Residency. How he conducted his duties in the Residency Office the accompanying copy of the certificate will show. In the beginning of 1895 his services were transferred to the Salt and Abkari Department as a first Grade Sub-Inspector, a year afterwards he was promoted to the Grade of Acting Assistant Inspector in which Grade he still remains that is to say without promotion for the last four years although he has always rendered satisfaction. In March 1898 your Petitioner was deputed to Plague Duty in the Bellary District and worked in the Hadagalli, Royadrug, Alur, Bellary and Horapanapalli Taluqs under three different Collectors, Messrs. Elwin, Campbell and Carr, all of whom will testify to the good work he has done. Your Petitioner's object in now addressing Government is this:- He finds that his prospects of promotion in the Salt Department are not bright, whatever he may do to earn it, he is therefore desirous of entering the Revenue Department: where he might rise to the position of a Deputy Collector. He has passed

the following Tests.

- Test A. Criminal Higher.
- Test B. Salt Law & Rules - Higher.
- Test C. Accounts - Higher.
- Test F. Abkari - Lower.

To qualify he must pass Revenue Higher and a few other Tests. From these Tests he is however debarred by the Rule that only Graduates can be allowed to appear. This Rule was, however waived in the case of Mr. F. Quinn an Officer in the same Department and position as your Petitioner, in consideration of the good Plague work he did. Your Petitioner would, but seek the same concession, on the same grounds, to permit him, as a special case to appear for these Tests.

In asserting that his Plague work will bare favourable comparison with Mr. F. Quinn, Your Petitioner is only stating what is a fact as a reference to the Collector will bear out.

For this act of kindness your Petitioner will, as in duty bound, ever pray.

Mr. Green has worked extremely

Mr. Wilkie Green has been employed during the past three years as a Clerk in the Resident's Office at Hyderabad. During that time his attendance has been regular and his conduct exemplary. He possesses abilities considerably above the average and he is an industrious and a cheerful worker. He has a fine physique, is a good horseman, and is fond of out-door exercises. I have had special opportunities of observing him during the past three years, and I feel confident that, whether in the ministerial or the executive branch of the Public Service he will do well and give entire satisfaction to his superiors.
