To The Under Secretary of State for India.

My Lord,

I have the honour to state that my deputation to England for 2 years will cease in September next, and as I am desirous of completing my course in Weaving as well as a few of the subjects in the Art Examination, I request that your Lordship will be pleased to recommend to the Government of Madras, my stay in this country for another winter session - a period of 8 months.

COPY NOTE BY SIR G. BIRDWOOD, DATED

8th JANUARY 1900.

A. In regard to the Letter No. 5, Educational, of the 14th December last, from the Government of Madras, I would advise that Mr. Coombes should during his deputation to Paris be allowed his travelling expenses and one pound a day for board and lodging.

B. Passing to Mr. Coombes' own letter of the 2nd instant, as the course of instruction in weaving is of two years, he should undoubtedly be allowed an extension of time sufficient to complete it - that is, from September next to May 1901. Mr. Coombes is carrying on his technical instruction in weaving under Mr. Reynolds the Director of the Manchester Municipal Technical Schools, to whom I gave him an introduction last year. He is doing very well indeed there, and if he turns out a good technical teacher in connection with the School of Art at Madras, the money spent in London, at Manchester, and in Paris in qualifying him for his future work in India will have been very well and profitably laid out. He is very industrious, plodding,

2. I now forward for the consideration of Your Excellency's Government, a copy of a letter from Mr. Coombes in which he asks that the term of his deputation to this country may be extended for eight months to enable him to complete a course of Weaving upon which he has entered at Manchester, and a
