From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

The Secretary to Government,

Educational Department,
Fort St. George.

SIR,

I have the honour to request that the very early sanction of Government may be obtained for the purchase locally of an oil engine for the Aluminium department of the School of Arts. The provision of engine power adequate to meet the demands of the polishing section is considered urgently necessary by Mr. Chatterton and he reports that such an engine may be obtained from Messrs. Massey & Co. for Rs. 3620. Foundations, shafting, pulleys, striking gear and standards for the shafting are estimated to cost Rs. 1500. The erection of a permanent or temporary shed to accommodate the whole of the polishing department is also very necessary and a temporary shed at a cost of Rs. 500 may be erected for the present. The total cost will then be Rs. 4620, which may be met from the allotment of Rs. 95,000 for the Aluminium department in the current year's budget. The amount expended to date out of the above allotment is Rs. 78808 only.

2. Pending the sanction of Government to the establishment of the school of Metal Work recommended in my letter No 4671, dated 22nd April last, I have the honour to request that sanction be accorded for the following scale of establishment as a temporary measure. This will enable Mr. Chatterton to work the Aluminium department without interfering with the

working of the School of Arts:-

Office Manager & Accountant
