From

The Principal,

College of Engineering, Madras.

To

The Director of Public Instruction,

Madras.

Sir,

The entrance examinations for the Suboverseer and Surveyor and Draftsman classes are held on the first Monday in December. As some of the candidates for these examinations are likely to present themselves for the Matriculation Examination which is in future to be held on the first day of December, I have the honour to propose that the College Examinations be antedated to the third Monday in November, and that the latest date for the reception of applications be the first Monday in October.

2. If the above change is made, it will be desirable to assign the third Monday in November for the commencement of the entrance examination for the Engineer class, and the third Monday in October as the latest date for the reception of applications from candidates.

3. The adoption of the above proposals will necessitate alterations in Article VIII (1) (ii) and VIII (3) (ii).
