GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

From M.R.Ry. V. KRISHNAMA CHARIAR, Diwan Bahadur, Registrar of Books, to the Director of Public Instruction, dated Madras, 22nd February 1900, No. 29.

I have the honour to forward, for submission to Government, printed copies of the catalogue of the publications registered during the fourth or last quarter of 1899.

2. It is interesting to note that the number of *books* and *pamphlets* registered during the quarter remains unchanged when compared with the figure recorded for the corresponding quarter of 1898, while the *periodicals* are but four less than the number registered during the same period, making in all 279 as shown below :—

Books and pamphlets	216
Periodicals	63
Total ..	279

3. Another classification of the registered works in the order of their languages shows 91, including diglot publications, to be in English, 57 in Tamil, 90 in Telugu, 5 in Malayalam, 4 in Kanarese, 1 in Uriya, 1 in Sourashtra, 1 in Arabic and 29 in Sanskrit, inclusive of those published in the Grandha and Nágari characters.

4. More than 19 per cent. of the total number catalogued are works designed for educational purposes, including annotated text-books, readers, keys and guides, and the like, mainly for the use of pupils, teachers and examination candidates.

5. In the column of remarks are entered, as usual, brief notes on the contents of most of the registered publications.

6. The works copyrighted during the quarter are 113 in number, as shown in the accompanying extract of entries of copyright registration. The last eleven entries in this extract refer to works belonging to the collection of the fourth quarters of 1871, 1879 and 1898, and to those of the first and third quarters of 1899, but whose copyright has only been sought and registered during the period to which the present catalogue relates.
