As to whether the exemption applied for should be granted. It is not stated why the Clerk cannot appear for the test again & why in the meanwhile a temporary exemption will not do. The Collector may perhaps be asked about this.

For the As.

Please see the Collr's report below. It is stated that the Clerk appeared twice for the Handwriting Test & failed on both occasions and that it is useless for him to try again as he writes a slow hand. He is 26 years old. In the circumstances it is submitted that the exemption may be granted.

To

The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honor to request that the Government may be pleased to accord sanction for permanent exemption from the Hand Writing Test of L. Krishna Rao, Ag 4th clerk in my North Dt Forest Office. In B.P. F No.201 Mis: dated 21st March 1899 the Board was pleased to sanction his temporary exemption till the result of the Hand Writing Test held in May 99 was known, and again when the clerk failed in May the Board in B.P. F No.542 Mis: dated 26th July 1899 granted temporary exemption till the result of the examination held last December was known. The clerk was ill in December and could not appear. He is a native of Mysore & as such is indispensable to my North Dt Forest officer who has a good deal of Canarese correspondence, with which language none of the other clerks in his office is acquainted. My Dt Forest Officer reports very favourably of his work and conduct, and strongly recommends his permanent exemption in order that he may be confirmed in his appointment.

I have the honor to be,

Sir,

Your most obedient servant,

J. H. Jackson
Assistant Collector

Reference:— Your Ref on c n^o

dated 16th March 1900

Krishna Rao has already appeared twice for the hand-writing test, and failed both times. I tell me that it is useless for him to appear again as he is a slow writer and is sure that he cannot pass. I consider his writing quite good enough, for all practicable purposes. At any rate it is clear and legible, and very much better than my own. He passed his matriculation 9 years ago, and had he then had to

appear for the Hand writing
test he might have been
able to form his hand into
the style required, but being
a Mysore man where the
Handwriting test is not re-
quired, he did not go up
for the examination then.

He is now 26 years old
and can hardly be expected
to reform his handwriting.
