Enclosure No. 1 to Letter No. 13 of 8-1-1900

From

Lieut Colonel, W. A. Browne M.D. M.S.
Principal Medical College and
President of the Local Committee
on Indigenous Drugs.

The Accountant General,
Madras.

Sir,

I have the honor to inform you that the work entrusted to the Local Committee on Indigenous Drugs appointed under G.O. No. 971 Public dated 28 September 1896 involves the drawing up of Reports and the conduct of official correspondence with the Central Indigenous Committee and with Professor Atfield, the Editor of The British Pharmacopoeia and its Indian Supplement, who has written describing a very extended series of experiments in connection with native drugs, as well as with various officers and throughout the Presidency. This has of late increased to an extent that a copyist's assistance was found to be absolutely necessary. Accordingly, the Honorary Secretary of the Committee has employed on this work the Medical College Mucker without detriment to his regular work and out of office hours when necessary. It is proposed to give him an allowance of Rs 7-8-0 per mensem for the entire period of his work and I request to be informed if this amount will be passed by your office on presentation of a bill with reference to your letter No. 143 dated 27 February 1899. I gather from the G.O. above quoted that any expenditure on correspondence connected with this investigation has received the sanction of the Government of India.

I have &c.

Principal and President
of Local Committee
on Indigenous Drugs.
