OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 20 March 1900.

No. 2911-

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational Department,

Fort St. George.

SIR,

With reference to paragraph 2 of G.O.No 716, Edul., dated 25th October 1899, I have the honour to submit, for the approval ^{of Government} and publication in the Fort Saint George Gazette, the accompanying draft of the modification proposed to be made in the Rules of the College of Engineering.

2. It has been represented to me that it will be difficult for all the students of the college to obtain medical certificates of fitness for entering the Public Works Department at the end of their college course, inasmuch as most of the students in Madras are non-resident, and as there is no special medical officer attached to the College, as at Rurki. I would, therefore, suggest that a medical examination at the end of the college course be insisted upon only in the case of students who are likely to secure nomination to the guaranteed appointments in the Public Works Department under paragraphs i and ii of Article XVII of the College Rules, all other qualified students being required to produce certificates of physical fitness under the ordinary rules, whenever they are permanently appointed to the Public Works Department. This seems to secure all that Government wants.

3. The draft of the additions to the college rules submitted herewith has been prepared in agreement with the remarks contained in paragraph 2 above.

I have the honour to be,
Sir,
Your most obedient servant,

G. H. Stuart
Director of Public Instruction.
