To

His Excellency the Right Honourable
the Governor in Council

Thro'

The Sub-Collector and Collector of
Madura.

May it please your Excellency.

The humble memorial of P.S.Venkatarama Ayar 3rd
clerk Sub-Collector's Office Dindigul, Madura most respectfully
sheweth:--

2 That the petitioner has passed the Examinations no-
ted in the margin and has put in 12 years service in Revenue Depart-
ment, his first appointment being a Revenue Inspector. That under
Special Test Examination Rules only graduates of the University and
the students of the Agricultural College who have obtained diploma
in agriculture are eligible for admission to Revenue Test Higher
grade; and only F.A.s and B.A.s of the University, students of
Agricultural College who have obtained diploma in agriculture and
diploma holders in Commerce are eligible to appear for Criminal
Test Higher or Lower grade.

3 That the Government Technical Examinations were f
the first time introduced in the year 1886 and were not applicab
to the students of the Government College of Agriculture who pas
out of the College in 1886; and that your Excellency's humble
rualist underwent three years course in the Agricultural College
and obtained a First class certificate. The new Sepcial Test
mination Rules referred to in para 2 came to force in the year
when the petitioner was holding an appointment in superior se
as Revenue Inspector on Rs. 35 having entered service as Reve
Inspector in December 1887. Thepetitioner appeared for criminal
in the year 1891 at Madura but could not attend the examin

thought by reason of certain unforeseen circumstances in the family. The petitioner could ^{not} then anticipate that there would be a change in the rules for admission to Special Test Examination.

4. That the petitioner feels doubt whether the first class certificate obtained by him in the College of Agriculture after 3 years course of study (certificate herein enclosed) would be equivalent to Diploma in Agriculture and whether it would confer on him the privilege of appearing for Revenue Test Higher Grade or Criminal Test Higher or Lower Grade: students of the college of Agriculture who have obtained Diploma in agriculture are placed on a par with Graduates of the University so far as the privilege of being allowed to appear for Revenue Test Higher Grade is concerned.

5. That your Excellency's petitioner humbly begs to submit that the rules making it obligatory on all Agricultural college students to appear for the Government Technical Examinations and obtain diploma in Agriculture having been of a later growth it would work considerable hardship on men of petitioner's stamp who having undergone 3 year's theoretical and practical course in the college of Agriculture and obtained a First class certificate in token of their efficiency are not allowed the same privileges as the diploma holders. That should a first class certificate obtained after 3 years in the college be not considered equal to a diploma required under the special Test examination rules, at least so far as the privilege of appearing for special Test examinations is concerned, your Excellency's humble petitioner begs to submit that his 3 year's course would appear to be practically of no avail.

6. That in consideration of the peculiar circumstances of his case, his long service in Government and of a G.O. of the year 1898 on the suggestion of the Government of India to the effect that in the interests of administration that men possessing a knowledge of scientific agriculture should be preferred for superior grades of service as Tasildars and Deputy Collectors the petitioner humbly prays that your Excellency will be graciously pleased to exempt the humble petitioner from the operation of the rules

rules and to permit him to appear for Criminal Test Higher or Lower grade so that he may qualify himself for Higher Grades of service.

7 For which act of benevolence and kindness your Excellency's humble memorialist shall as in duty bound ever pray.

He begs to remain,
your Excellency's most humble and obedient-
servant,

Respectful
