The humble Memorial of Ab
dulla Khan, Mashaichi Sahzad ^{officer} of Palmaria
North Arcot District

Most respectfully Sheweth:—

That the memorialist most hum-
bly and respectfully beg to lay before go-
vernment the circumstances under which
his petition to the Board of Revenue praying
for permanent Exemption from the Exa-
mination rules so as to render him eligible
for promotion to a peon's post has been un-
justly rejected.

2 That the petitioner was a volunteer and held acting appointments of a peon in the Palmaner Tahsildar's Office from 1890 to 1897. During this period all his juniors possessing influence were appointed as permanent Taluk peons and the claimant

3 That in the beginning of the year 1897 a vacancy for Taluk Peon ^{in the} Palmanair Taluk Sildor's office occurred. The memorialist was one of the applicants for the same. The Tahsildor recommended one of his favorites for the vacancy. But the then Head Quarter Deputy Collector after weighing well his claims conferred the vacancy on him permanently in March 1897.

4 That then the Tahsildor of Palmanair Taluk who was in bad terms with the Dy Collector being vexed with the appointment of the memorialist in consequence of his nominee not having been chosen, protested against his (memorialist's) appointment, and held long correspondence with the Divisional Officer. His object not having been achieved he reported that the memorialist has not passed the Primary School Examination and that he was not eligible for a peon's post. After the memorialist continued as a peon for 9 months his appointment was cancelled and there was no pay bestowed upon or another unpassed Nashalchi. The memorialist was then confirmed as Nashalchi in which he still continues. Thus the poor memorialist was at his best all sort of being

made a *paika* Taluk Peon

5 That subsequently two vacancies for Taluk Peons occurred in the very same Taluk and the poor memorialist was one of the applicants for the same. But to his serious misfortune his claim was rejected on the ground that he was not qualified by the Examination rules (vide Exhibits A & B)

6 That the collector of North Arcot having called for recommendation for exemption from the Examination rules with regard to certain Nashalchies in this District and directed by the Board of Revenue in their Proceedings No 1965 dated the 3rd August 1899. The memorialist represented his case to the Tahsildor of Palmanair Taluk and the Head Quarter Deputy Collector of N. Arcot, but he was informed that the said order of the Board would not apply to his case (vide Exhibit C)

7 That thereupon the memorialist represented his grievances to the Law members of the Board of Revenue who without weighing well his sad case refused to interfere in the matter (vide Exhibit D)

of 11-11-99 and it is against this order of the Hon Board that this petition to government is submitted for consideration and favourable orders being passed thereon

8 That the memorialist held acting appointments of a peon for a period of about 8 years prior to the enforcement of the Examination rules and he had not the fortune of being confirmed as a Taluk peon then alone simply because he had no influence, when the Dy Collector was pleased to confirm him as a Taluk peon, the Examination rules stood as a bar to his appointment as such. Although he holds a ~~mar~~ hale his post still he is told that he would not be promoted to a peon's post under any circumstances unless until he passes the Primary School Examination.

I That the poor memorialist is a Mahomedan by caste and is an-cestors were all employed as Taluk Peons in the same Taluk from upwards of 60 years. He knows Telugu a little and is 25 years old & fit for any active work. He is anxious to serve in the

I Revenue Department in which his ancestors spent their lives but unfortunately his want of influence deprives him of recommendation for and promotion to a peon's post. The memorialist therefore begs to appeal the matter to the sympathy of Government thinking that he would nurse his hopes with success to exempt him from the (Ex) rules so as to render him eligible to a Peon's post.

For which act of benevolence the memorialist shall ever be thankful.

The memorialist begs to remain

Through the Tahsildar of Palamuru
District

The humble memorial
of Abdullak Khan, Moashaldi
Tahsildar's office, Palamuru,
North Arcot District.

Most respectfully sheweth

That the Memorialist most
humbly and respectfully begs to
lay before Government the Circum-
stances under which his petition
to the Board of Revenue praying
for permanent Exemption from
the Examination rules so as to
render him eligible for promotion
to a peon's post has been unjustly
rejected.

That the petitioner was a
Volunteer and held acting
appointments of a peon in the
Palamuru Tahsildar's office.

18.12.1897

period all his juniors possessing influence were appointed as permanent Taluk Deans and the claims of the poor memorialists were overlooked.

3. That at the beginning of the year 1897, a vacancy for a Taluk Dean in the Palamur Tahsildar's office occurred. The memorialist was one of the applicants for the same. The Tahsildar recommended one of his favorites for the vacancy. But the then Head Quarter Deputy Collector after weighing well his claims conferred the vacancy on him permanently in March 1897.

4. That the then Tahsildar of Palamur Taluk who was in bad terms with the Deputy Collector being vexed with the appointment of the memorialist in consequence of his nominee not having been chosen, protested against his (memorialist's) appointment and held long correspondence with the Divisional Officer. His object not having been achieved,

the memorialist

has not passed the Primary School Examination and that he was not eligible for a permanent post. After the memorialist continued as a Deon for 9 months his appointment was cancelled and the vacancy bestowed upon another unpassed Mashalchi. The memorialist was then confirmed as Mashalchi in which he still continues. Thus the poor memorialist was deprived of his best opportunity of being made a pukka Taluk Deon.

(5) That subsequently two vacancies for Taluk Deans occurred in the very same Taluk and the poor memorialist was one of the applicants for the same. But to his serious misfortune his claim was rejected on the ground that he was not qualified by the Examination rules. (vide Exhibits A & B)

(6) That the Collector of North Arcot District having called for recommendation for exemption from the Examination rules with regard to

as directed by the Board of Revenue in their Proceedings No 1965 dated the 3rd August 1899, the Memorialist represented his Case to the Tahsildar of Palamuru Taluk and the Head Quarters Deputy Collector of North Arcot, but he was informed that the said order of the Board would not apply to his Case (vide Exhibit C)

(7) That thereupon the Memorialist represented his grievances to the Honorable Members of the Board of Revenue who without weighing well his sad Case, refused to interfere in the matter (vide Proceedings No 366 dated 11-11-99) and it is against this order of the Honorable Board that this petition to Government is submitted for consideration and favorable orders being passed thereon.

(8) That the Memorialist held acting appointments of a peon for a period of about 8 years prior to the enforcement of the Examination rules and he had met the fortune of being Confirmed as a Peon alone.

2
Simply because he had no influence just when the Dy Collector was pleased to Confirm him as a Taluk Peon, the Examination rules stood as a bar to his appointment as such. Although he holds a Mashalchis post still he is told that he would not be promoted to a peon's post under any circumstances unless and until he passes the Primary School Examination.

(9) That the poor Memorialist is a Mahomedan by Caste and his ancestors were all employed as Taluk Peons in the same Taluk from upwards of 60 years. He knows Telugu a little and is 25 years old. It is fit for any active service. He is anxious to serve in the Revenue Department in which his ancestors spent their lives but unfortunately his want of influence deprives him of recommendation for and promotion to a peon's post. The Memorialist therefore

to appeal the matter to the sympathy
of Government thinking that
he would nurse his hopes
with success to exempt him
from the examination rules
so as to render him eligible
to a peon's post.

For which act of benevolence
the memorialists shall ever
be thankful.

The memorialists beg to remain
