My dear Mr. Home,

You are aware that I have long wished to erect some Public Building in this town. Dr. Leapingwell recently mentioned to me that he was on the lookout for a site for a Medical College which Government propose to establish here and I learn from him that there is a

Suitable site, which is my property, near the Main Road, and within easy reach of the Civil Hospital. I write now to inform you that I would much like to build the College and should like it called if you approve the "Victoria Diamond Jubilee Medical College" in commemoration of Her Majesty's Diamond Jubilee. You know

this was my desire ^{very} with regard to the Town Hall which I was unfortunate about. I would feel exceedingly thankful to you if you will kindly inform the Government of my desire to build the College.

Yours Sincerely,
H. N. Sijpuleers

TO

The Honorable Mr G. Stokes,

Chief SECRETARY TO GOVERNMENT,

Public DEPARTMENT,

Madras.

SIR,

I have the honor to forward a letter from Maharajah G.N. Gajapati Rao C.I. E. in which he offers to build and supply a site for a Medical College, which, I am informed, it is under contemplation to build in Vizagapatam. I have no official knowledge of the proposal, but I am informed by the District Surgeon that there is such under consideration, and that the site is suitable.

2. The Maharajah would, I understand prefer to undertake the building himself, rather than to supply funds for a building to be erected by the Public Works Department, but he would of course follow any authorized plan.

I have the honor to be,

Sir,

Your Most Obedient Servant,

W. O. Horne

NOTES CONNECTED WITH G.O., No. 209, EDUCATIONAL, DATED
17TH MAY 1900.

[SUBJECT.—*Buildings for the Medical School, Vizagapatam.*]

From the Collector of Vizagapatam, No. 749, dated 7th April 1900.

For the Assistant Secretary—

Having heard that Government is going to open a Medical college in Vizagapatam, Maharaja G. N. Gajapati Rao Garu offers through the Collector to supply a site and to construct a building thereon for the college according to any plan sanctioned by Government. But it is only a school and not a college which Government proposes to open at Vizagapatam and no decision has yet been *finally* arrived at in the matter (*vide* Educational C. No. 316 of 1899), which is at present under reference to the Public and Financial departments. It is there awaiting certain information about the present contribution to the Medical college called for from the Accountant-General and about the cost of buildings, furniture, etc., called for from the Surgeon-General. There seems, however, to be no objection to the offer being conditionally accepted with thanks.
