My dear Forbes,

His Excellency has nominated Young Baldrey for an Asst. Inspectorship in the Salt Dept. Baldrey has also got an offer of an appointment in the Settlement Dept in the Straits Settlements. Before refusing the latter he wants to know if he is quite certain of the former. Can you tell me? I suppose he practically is certain of it, as members are not likely to object. But I am not sure if he has any examinations to pass before getting his appointment. I think it is

is usual in such a case to exempt the man from the ordinary literary examination, (B.A., Matriculation, or whatever else it may be), & make him pass his departmental tests while in the Dept.

Can you tell me if there is so?

Yours Sinc.

To be eligible for
appointment as Asst. Inspector
one has to pass

(i) Either the Madras
Upper Secondary Examination or the
Matriculation Examination with
the test in handwriting and
dictation

and (ii) Salt, Akkari &
Customs Tests A. B. F. in the
lower grade and test E in one
vernacular language.

2. It is understood
that Mr. Baldry has not

passed any examination. He must be exempted as regards (i) by an Educational order and this, it would appear, may be done without difficulty (vide precedents in the case of Messrs. Robinson and Maniott). As regards (ii) - Salt Pests, the point is not free from doubt. The notification on page 254 of the Gazette states, "all the tests except C. D. & G. by the lower grade previous to appointment or if their ^{first} appointment is in that grade (And Insps) within two years of the same." Messrs. Robinson and Maniott do not, as far as can be ascertained from the Educational Index available here, appear to have been exempted from passing these tests, but were allowed to pass them ^{after appointment} ~~in due~~ duty. Perhaps the same procedure ^{will it be} ~~may~~ be followed in the present case also.
