No. 1489 Mis.

The Hon.Mr. F.A. Nicholson

READ.....again the following Board's Proceedings No. 1170 Mis.,dated
12th March 1900 :-

Read the following letter from H.D. Taylor Esquire
Ag. Collector of Ganjam, No. 139-R/Ver., dated 27th February
1900:-

I have the honour to state that in spite of all efforts no qualified candidate' (i.e. one who has passed the Overseer's Test in the Madras Engineering College) has been hitherto obtained for the post of Minor Irrigation Overseer in this district.

2. I enclose herewith copy of an application received from one G.M. Prasadaraο Devara now employed as Supervisor, Public Works Department, in the Amraoti District of the Berars.

3. Though he has not passed the prescribed Overseer's tests, yet he has passed many other examinations and appears to be qualified to discharge the duties of the post. His qualifications appear to be considerably superior to those of other applicants who have hitherto applied for the post.

4. I would suggest that having reference to the circumstances and the extreme difficulty of procuring qualified men for the Ganjam district he be given the post of Minor Irrigation Overseer on probation for one year, after

which he will be confirmed, if his work prove satisfactory.

5. As he states that his age is 26 years, the special sanction of Government for his permanent entertainment will be necessary and I request that the same may be obtained.

*He is 26 years
entertainment
from age here*

Resolution No. 1170 Mis. 3. 2. 3. 00.

Forwarded to the Chief Engineer for Irrigation with the request that he will favour the Board with his opinion as to whether, in the circumstances reported by the Collector the applicant referred to can be appointed to the Minor Irrigation Overseers place on Rs. 100 sanctioned for the district.

Read also the following letter from the Chief Engineer for Irrigation, Tank Restoration Scheme, No. 620-T, dated 22nd March 1900:-

With reference to the Board's Proceedings No. 1170 Mis., dated 12th March 1900, I have the honour to inform you that, under the circumstances stated, I would recommend the man referred to being ~~xxx~~ appointed on probation for one year. The examinations passed scarcely qualify him for the duties of a Minor Irrigation Overseer but it may be a long time before any better qualified man becomes available.

Resolution No. 1489 Mis. 3. 2. 6. 3. 00.

The papers read above will be submitted for the orders of Government.

2. In his letter read in B.P. No. 1170 dated 12th March 1900 the Collector of Ganjam applied for the sanction of the Board to appoint one G.M. Prasadarao Devara employed at present as a Supervisor, P.W.D. in the Amraoti District of the Berars, as Minor Irrigation Overseer on Rs. 100. It was reported that, though the candidate referred to had not passed the test prescribed for the Overseer's post, he has passed many other examinations and appeared to be qualified to discharge the duties of the post. The Chief

Engineer for Irrigation, who was consulted on the subject recommends that, in the circumstances reported, the Collector's nominee may be appointed on probation for one year. In view of the fact that in spite of all efforts on the part of the Collector no qualified candidate has been hitherto obtained for the post of the Minor Irrigation Overseer, the Board supports the Chief Engineer's recommendation and requests that Government will be pleased to accord sanction for the exemption from the examination rules of Prasadarao Devara referred to above for a period of one year.

Honoured Sir,

In obedience to your endorsement No.279/5.2 of 1900, I beg to offer myself as a candidate for the vacant Minor Irrigation Overseer's post.

Adverting to my present service, I am employed as Supervisor 2nd Grade P.W.D. (temporary) on Rs. 150 plus Rs. 30 horse allowance in East Berar Division.

I further beg to state that I am perfectly familiar with the duties of an Overseer and hope that I will be able to discharge the duties of the post to the entire satisfaction of my superiors.

Subjoined are true copies of my testimonials for your information and I can, if so directed, obtain most respectable references as to my character and antecedents.

I also beg to represent that I am well conversant with Uriya language and having served in Ganjam district P.W.D. for sometime I am thoroughly acquainted with almost all the localities of the district.

I am a Ganjam (sudra) by caste ^{and} am aged about 26 years

and possess sound health for out-door work.

I have neither relations nor any sort of landed or immoveable property in Ganjam district.

In my humble opinion it will be unjust to offer this appointment to any foreigner ignorant of the localities and language of the district; how qualified he may be as a passed Overseer and to overlook my qualification, which are equal to those of an upper-subordinate in D.P.W.

Should your honour doubt my qualifications in any way, I request that you would be good enough to forward this application to the Chief Engineer and Secretary, P.W.D., Madras, for favour of his opinion.

In conclusion I respectfully beg to add that if I succeed in getting the post I shall spare no pains in the discharge of duties entrusted to me and conduct myself with utmost rectitude.

I beg &c.
