To

The Director of Public Instruction,

Madras.

Sir,

I have the honour to forward herewith the plan and estimate of the St.Mary's Girls' School House, amounting to Rs.4260 and to request you will be good enough to sanction a one-third grant for the same.

The school is of the lower secondary grade and was opened in 1895 as a branch of the St.Ann's Girls' school to prevent its overcrowding.

The school is at present located in a house the rental of which is Rs.35 a month. As the lease expires on the 31st January 1900, it is found necessary to provide a new building.

The school has been doing good work and the strength has been steadily increasing and it has now reached 140. A further increase is expected at the reopening of the school after the Christmas vacation as in the previous years. This shows that the school is really appreciated and that it supplies a real want.

It is intended to build the new house on a suitable site to the opposite of the present one, on the other side of the road.

The pillars in the side wall are not at equal distances, in order to admit of the addition of a portico at the entrance, at some future time, when more funds may be available.

As the present lease has but a short time to run, I have the honour to request you will be good enough to obtain for me an early sanction.

I have &c &c
