STATEMENT OF THE OBJECTS, AND AN APPEAL IN BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS MALE AND FEMALE CIVIL ORPHAN ASYLUMS were founded by Eurasians for relief of the poorer members of the community in the early part of the present century, so far back as 1807, and have therefore, been in operation for over ninety years.

A full statement of the funded capital and financial resources of these Institutions will be found in the Annual Report. Improvements have been introduced into the system of education pursued in each of the Asylums, with a view to increasing their public utility. For the furtherance of this object, these schools are now placed under Government Inspection.

All orphan children *throughout the Presidency* descended from parents either Eurasian or European, not in Military employ, are eligible for admission.

This fact it may be assumed, is generally known throughout the mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim, *resulting from this fact*, upon persons residing in the mofussil for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. The Directors, therefore, earnestly request the Clergy in the Presidency and mofussil either to make regular periodical collections in their Churches in behalf of the Asylums, or else to circulate this appeal together with the accompanying report among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions, which provide such efficient relief for the destitute and distressed members of their own community.

Contributions may be remitted to Mr. W. A. LONG, Treasurer, Perambore Barracks Road, Vepery, or to THE SECRETARY Civil Orphan Asylums, Egmore, Madras.

DIRECTORATE.

18. During the year the Directorate lost the services of two of its members viz. Mr. Charles Hall and Mr. W. A. Beeson.

The late Mr. Hall was associated with these Institutions for 34 years, during the past 23 years of which he was a Trustee and had at different times carried out the duties of Auditor, Financial Secretary and Secretary, at all times taking an active, genuine and sincere interest in the welfare of the Institutions while giving them, ungrudgingly, the benefit of his sound judgement and his great professional knowledge. The Directorate desires to place on record the great loss the Institutions have sustained by his death.

The position and work of Honorary Treasurer have been undertaken by Mr. W. A. Long whose experience of accounts will doubtless prove invaluable to the Directorate.

By the death of the late Mr. Beeson, these Institutions lost the services of its energetic Hony. Secretary. The Directors place on record their appreciation of the services which he rendered as Hony. Secretary.

Mr. J. R. Coombes kindly undertook to carry on the duties for the current year.

APPENDIX A.

The Garrison Chaplain's Report.

I have the pleasure to report on the Education religious training and conduct of the boys and girls as follows.

1. EDUCATION.—Four boys were sent up for the Lower Secondary in December; this is the highest standard we at present attain to. Two passed completely, and two passed the compulsory portion together with one optional subject. Four girls were sent up; one passed the compulsory portion, and one optional subject; the other three failed in Arithmetic, one of the compulsory subjects. The two boys who passed completely, Carlier and Maiden, have been permitted by the Directors to pursue their education at the Bishop Corrie School. The girl who passed partially, Lilian Hilton, has left.

The technical examination in Dress-making was held in the month of November. Two of the teachers and four girls competed in the Intermediate Grade; two teachers and two girls passed; viz.

Miss. E. G. Henegan.

„ L. G. Piellow.

Ida Gibbs.

Florence Lopez.

In the Elementary Grade five girls competed and all passed;

Daisy Hall.

Lizzie Rapson.

Lilian Hilton.

Mary Cruickshanks.

Gertrude Gale.

This Examination was a new venture in 1899; it is chiefly due to Mrs. Benson's advocacy that a teacher in Dress-making was appointed at the beginning of the year; and it is highly satisfactory to note how the girls have taken to the subject, and have won their certificates of efficiency.

The Eurasian and Anglo-Indian Association offer prizes annually for proficiency in various classes of needlework. In Class A for girls over 16 Gertrude Gale obtained a certificate. In the same class for girls under 16, two of the girls obtained prizes, and five others obtained certificates.

Florence Lopez ... 1st Prize.

Mabel Corbitt ... 2nd do.

Jane Henderson ... Passed.

Lilian Hilton ... do.

Lizzie Rapson ... do.

Daisy Hall ... do.

Mary Cruickshanks ... do.

In Class B for girls under 16, in which a garment has to be cut out and made, the following two girls obtained the 1st and 2nd Prizes.

Ida Gibbs ... 1st Prize.

Irène Carlier ... 2nd do.

The same Association also offers annual prizes for the greater encouragement of the study of tamil. Three boys were entered for the examination; the following two passed,

James Chiunnery ... A money prize.

Archibald Ignatio ... Certificate.

The Diocesan Board of Education offers prizes and certificates to encourage the study of the Prayer Book. In the Intermediate Grade for boys and girls between the ages of 14 and 16, one prize was obtained and 14 certificates of merit. The prize was won by Mary Cruickshanks. In the Elementary Grade for boys and girls below the age of 14, one prize was won, two certificates of merit, and two pass certificates.

The annual examination in religious knowledge was conducted in the Girl's School by the Revd. R. P. Burnett, and in the Boy's School by the Revd. A. A. Williams. The thanks of the Directorate

are due to these gentlemen for the great care and pains they took over the examination. Their reports are appended.

During the year the Directorate made an experiment by appointing a trained woman teacher for Classes iii and ii on the Boy's side instead of a young man. The result has answered expectation. I examined all the Primary Classes in December in the Boy's School, and Class i in the Girls School, which was largely composed of boys. I am satisfied that the right thing has been done in making this appointment. There has been no falling off educationally; indeed there has been in Classes iii and ii a slight educational improvement; and a very satisfactory alteration is to be noticed in the manners of the younger boys. Class IV was distinctly good in 1899; all the boys in it passed the Primary Examination.

Before leaving the subject of Education I would like to testify to the general improvement in the Boy's School in spelling and writing. The elder boys still suffer a little from the want of due attention to these important subjects in former years; but there are signs throughout that a new era in this respect has begun.

2. The religious instruction and the Chapel services have continued during the year as usual. I have to express my gratitude again to Mr. John Cardis for his kindness in playing the Harmonium at the Chapel Service on Sunday morning; thus enabling us to have the bright singing service which all the children love.

3. The conduct of the girls during the year has been very good; the elder ones have been learning special cookery, and dress-making; they have also turned out a large quantity of needle-work; and on the whole have set a good example to the younger ones. The credit of their good conduct is largely due to Mrs. Berlie, the Head Mistress, whom I have invariably found to be most judicious in her management of them.

The conduct of the boys has been good also; the elder boys have to learn the meaning of responsibility. Measures are being taken now to impress them with this sense.

4. I have to thank Messrs. Higginbotham & Co., for assisting me with a gift of five pictures to decorate the Girl's School.

FRANK PENNY, L. L. M.,

Garrison Chaplain.

Vice-President and Chaplain, C. O. A.

B.

Annual Medical Report of the Civil Orphan Asylums, Madras, for the year 1899.

Honorary Captain and Senior Assistant Surgeon S. E. White is in Sub-Medical charge from 6th June. He has done his work most satisfactorily and shown considerable tact in the management of the sick particularly the *out-patients* sick.

10. NURSE.—Mrs O'Condell who was permanent nurse from the 1st January 1899 went on leave in May and subsequently resigned. Mrs. E. A. Freeman was appointed permanently from 15th June 1899. She has performed her duties most satisfactorily. She had to nurse three very bad cases, and it was considerably due to her good care and good nursing that the children recovered.

Report of the Revd. A. Acheson Williams.

I have the pleasure of stating that in compliance with your request I conducted the Scripture Examination of the Boys in the C. O. Asylum on Monday last December 18th, and I beg to append the results below.

In Forms III and II.

The Results were very creditable.

CHURCH CATECHISM.—Was good throughout with two exceptions and I received some very intelligent answers on the meanings of words and phrases in the text.

OLD TESTAMENT.—(1 Sam IX to end), was Excellent. The text had been carefully mastered and some of the boys exhibited a very accurate knowledge of names and events, particularly *W. Maiden* and *H. Dean*.

NEW TESTAMENT.—(Acts IX to end) was not so carefully mastered as the O. T. but the general knowledge was on the whole fair.

On the combined results the order of merit was as follows.

	Max Marks.
	30
Form III.— <i>W. Maiden</i> ...	... 1st 21
„ „ — <i>T. Fullam</i> ...	... 2nd 16
Form II.— <i>H. Dean</i> ..	... 1st 24
„ „ — <i>G. Gillis</i> ...	... 2nd 21
Form I and Class IV.	

In Form I.—*O. Gale* obtained the largest number of marks viz., 16. *A. Adie* being second with 15, out of a maximum of 20, some of the elder boys answered remarkably well in Catechism, but there was a “tail” to the Class. O. T. N. T. and Memoriter were generally good.

Class IV.—In this class the General results were moderate the highest number of marks was obtained by *M. Andrews* and *H. Arnold*, 7 marks each. N. T. was their strongest subject and Catechism their weakest, more attention is needed for accuracy of repetition.

Classes III and II.

The Boy who answered best in this class, Class III, was *O. Williams*, *R. Duncan* being a very close second.

In Class II.—*G. Trutwein* secured the highest number of marks and *W. Madden* came next. Both Classes did well in Memoriter,

The results in Catechism in Class III were fair, but in Class II were not so satisfactory. The answering in O. T. Stories was much better than in N. T. in both Classes.

On the whole the Children manifested a very fair General knowledge of their subjects, and considerable care has been taken by the Teachers in this important department of Instruction.

D.

Report of the Revd. R. P. Burnett.

In accordance with your request, I examined the Girls of the Civil Orphan Asylum in religious knowledge, on Monday the 18th and Wednesday the 20th of December last.

I am happy to be able to report that, with the exception of a few of the smallest infants, (who had not been long enough in the institution to learn much), they all acquitted themselves most creditably.

The answering in each class was excellent, and they all seemed to have studied the subjects with care and intelligence.

It was a great pleasure to find them so well informed, as also to find so much progress made by those whom I remembered as pupils when I was myself Garrison Chaplain three year ago.

I append the names of those who distinguished themselves most in each Division.
