Recommended. I think this man will do well for the
appointment he seeks. He has worked well under me and
having passed as Supervisor the fact speaks for itself.

Executive Engineer.

TENKARAI, SUB-DIVISION OFFICE,
Puthukudi, 26th January 1885.

Certified that C. Murugesu Moodelliar was appointed
Superintendent, North Delta in October last, a few days
before I handed over charge of this Sub-Division. I have

had little experience of this man, but from what I have
seen he appears to me to be an accurate and intelligent
man in surveying and levelling.

(Signed) V. NITHIANANDA MUDALIAR,
Supervisor.

TENKARAI SUB-DIVISION OFFICE,
Camp Trichendur,
10th September 1885.

It is with pleasure that I comply with the request of
C. Murugesu Mudelliar to give him a certificate for the
period he has served under me, namely, from November 1884
up to date.

I found C. Murugesu Mudelliar a steady man, atten-
tive to his duties, straight forward in his business, and anx-
ious to please. I need only add that as he gains experience
in the P. W. Department, he will become a valuable sub-
ordinate. He resigns his post as North Delta Superintendent
Srivaikuntam anicut Project to take up a post of Sub-
Overseer in North Arcot Division to which he has been
posted.

(Signed.) W. A. BAKER,
Assistant Engineer.

Sub-Overseer C. Murugesu Mudelliar worked under
my orders for about a year, while I was in charge of
Aranee Sub-Division of the North Arcot District, during
which period his conduct gave me every satisfaction.

He is a hard working and intelligent young man and
with a little more practice will, I dare say, prove a very
useful Overseer.

(Signed) A. NARAINSAWMI,
Sub-Engineer.

MADRAS, }

Sub-overseer C. Murugesu Mudelliar has served under
me for about 16 months. He has much improved during
this period and is now a very useful surveyor and estimator.
He can also carry out works satisfactorily. He carries
out his orders and works hard.

Assistant Engineer

Endorsement on the application of C. Murugesu Mudelliar to the Chief Engineer P. W. D. for the appointment of an Overseer, dated 1st October 1888.

No. 792 dated 1-10-88.

Forwarded through the Executive Engineer No. 2 and 5 parties for his favourable consideration.

Preference can be given to this applicant in selecting a candidate for an overseer's post because he seems to have had the training of a sufficiently long period of 4½ years holding minor posts in the Department, which many others rarely do. He did his work extremely well since he was in this party.

(Signed) C. MAHOMMED KHASIM,
Assistant Engineer No. 5 Party.

ARKONAM,
31st March 1889.

Murugesu Moodelliar who possesses a Supervisor's Certificate from the College of Civil Engineering Madras served in No. 5 Party T.R.S. as Surveyor and Overseer for upwards of a year during which period he gave me every satisfaction. He leaves the Party on transfer to Vizagapatam for work in No. 8 Party.

(Sd.) C. MAHOMMED KHASIM,
Assistant Engineer No. 5 Party.

Very well satisfied with his work and hope he will be soon promoted.

C. Murugesu Moodelliar worked under me in the 8 Tank Restoration Party in the Vizagapatam D. & got about a year from Decr 89 and I had every reason to be satisfied with him. He is intelligent and hard working and has a good knowledge of the work required from an overseer of the Dept especially Irrigation branch. I was sorry to lose his services when he was transferred to the Heistad. He had two surveyors working under his orders when he was in this division.

With reference to the above

I beg to inform you that my full

name is Londapuram Mungesa Mood.

and that I have been putting my

initial letter as L from the

In the Gazette supplement

notification P. 18 of 23 Feb. 1882

giving the names of candidates

who have passed the elutri-

culation Examination of the

University of Madras and in

the University certificate granted

to me my name is spelt as

Londapuram Mungesa Mood.

with the letter L and for

the enclosed copies of testimonials it can be seen that even in the certificate granted by, Reverend William Millar Principal Lehigh College, Alachua, prior to entering the Civil Engineering College, my name is given as Le. Murugesu Allood.

When while studying in the college of Engineering Alachua from 1882 to 1884 I was putting Le as my initial and not as Le. I was one of the scholarship students in the college drawing Rs 15 per mensem in the year 1883 to 1884 and a verification of my signatures in the vouchers and records will bear testimony to my initial as Le, but in the college certificate No 37 of 30th May 1884 granted to me for having passed examination qualified for the grade of Supervisor S.W.D my full name Kondapuram Murugesu Allood with Le in the beginning is given.

As the transliteration was not observed so much in those days. I took no action up to date to get the initial letter in Kondapuram observed in the College certificate or balandar corrected into Le. I now take this opportunity of requesting you to be good enough to address the Principal Le. College Alachua to get the initial letter of Kondapuram altered from Le to Le as I always sign my name with the initial letter Le.

I beg to remain
