Educational (189) Department.

order no. 226 of 31.5.00

The Director's proposal cannot be approved. If the fees realized from candidates continues to be more than is necessary,

the Director should submit proposals for reducing the rates of these fees.

To the Director, Public Instruction, Madras.
From the Director, Public Instruction, Madras.
For Order 1515/10

The Director does not say that any difficulty has been experienced in obtaining the services of examiners at the reduced rates sanctioned in G.O. no 547 of 22nd August 1899. It is submitted therefore that there is not sufficient ground for reconsidering that order. Moreover it does not appear to be safe to judge from the results of 1899-1900 alone. The reduction in the rates was made only so recently as August 1899 & the fact has been communicated to the Govt. of India. The proposal has the disadvantage of uncertainty, and should not be accepted in its present form & submit. If experience justifies it, the fees may be raised hereafter.

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 14 May 1900.

No. 4928

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational Department,

Fort St. George.

SIR,

In G.O.No 834, Educational, dated 29th

November 1892 the following rates were sanctioned for payment to the Board of Examiners for the College of Engineering.

	Engineer & Engineer Subordinate classes.		Surveyor & Draftsman classes.	
	Rs.	As.	Rs.	As.

For each unit question paper set	60	..	45	..
----------------------------------	----	----	----	----

For each unit answer paper valued	1	8	..	12
-----------------------------------	---	---	----	----

In G.O.No 530, Educational, dated 22nd August 1898 Government requested the Director to report whether the final examination of students of the College of Engineering could not be made self-supporting by reducing the examiners' stipends. Dr.Duncan reported on this point in his letter No 8231, dated 22nd July 1899 and in G.O.No 547, Educational, dated 22nd August 1899 Government ordered that, in order to make the examination self-supporting the rates should be reduced to the following.

	Engineer & Engineer Subordinate classes.		Sub-overseer & Surveyor & Draftsman classes.	
	Rs.	As.	Rs.	As.

For each unit question paper set	50	..	40	..
----------------------------------	----	----	----	----

For each unit answer paper valued	1	..	..	8
-----------------------------------	---	----	----	---

Owing partly to increase in the ^{numbers} members attending the College
 but mainly to the increase, authorized in G.O. No 530, Educational, B
 22nd August 1898, of the Entrance Examination fee for the
 Sub-overseer and Surveyor class and the Draftsman class from
 Rs.5 to Rs.10, the amount of fees received from candidates has
 increased from Rs.4325 in 1898-99 to Rs.6671 in 1899-1900.
 Calculated at the old rates the stipends of examiners for
 1899-1900 amount to Rs.4760-470. The examinations are therefore much
 more than self-supporting. As the only object aimed at by
 Government is thus attained I have the honour to request that
 Government will be pleased in supersession of G.O. No 547, Educational, C
 dated 22nd August 1899 to authorize the continuance of the old
 rates of payment to examiners, as long as the examinations continue
 to be self-supporting.

I have the honour to be,

Sir,

Your most obedient servant,

G.H. Stuart

Director of Public Instruction.
