GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—again the following papers:—

G.O., Mis. No. 152, Educational, dated 29th March 1900.

Read—the following letter from the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 23rd March 1900, No. 3079:—

I have the honour to request that you will be good enough to obtain the early sanction of Government for the payment of a year's rent at Rs. 1-8-0 per mensem from March 1899 to February 1900 for the office accommodation of the Inspecting Schoolmaster of Muhammadan Schools, Madras, the charge being met from the provision in the current year's budget. The Accountant-General's objection slip requiring such sanction is enclosed for reference and favour of return.

2. I beg also to request that I may be empowered to sanction an office-rent not exceeding Rs. 2 per mensem for the above officer on condition similar to that mentioned in G.O., No. 835, Educational, dated 30th November 1892.

Order—Mis. No. 152, Educational, dated 29th March 1900.

A house-rent allowance of Rs. 1-8-0 per mensem for the office of the Inspecting Schoolmaster of Muhammadan Schools, Madras, is sanctioned with retrospective effect from March 1899.

2. The request in paragraph 2 of the Director's letter will be considered on receipt of the reply from the Government of India to a reference made to it on the subject of delegation of certain powers to heads of departments.

G.O., R. No. 186, Educational, dated 29th March 1900.

Read—the following letter from the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Commissioner for Government Examinations, to the Secretary to Government, Educational Department, dated Madras, 21st March 1900, No. 35-1 D:—

I have the honour to apply for the sanction of Government to the disbursement of Rs. 8-9-6, being the cost of certain text-books and maps purchased by the Chairman of the Primary Examination Board, Trichinopoly. As under the Madras Educational Rules, managers of recognised schools are given the option of selecting any of the text books approved by the Director of Public Instruction, it seems desirable that Chairmen of Primary Examination Boards should furnish themselves with copies of such of the text-books approved for the fourth standard as are more commonly brought up for the Primary Examination, so that uniformity may be maintained, as far as possible, in the test applied.

2. In this connection, I beg that Government will be pleased to authorise me to sanction up to a limit of, say, Rs. 50, annually for the Presidency, the purchase of text-books required for use in connection with the examinations under the control of the Commissioner. I may add that, as Director of Public Instruction, I am authorised under G.O., No. 6, Educational, dated 10th January 1872, to sanction purchase of class books.

Order—R. No. 186, Educational, dated 29th March 1900.

Payment of Rs. 8-9-6, being the cost of books and maps purchased by the Chairman, Primary Examination Board, Trichinopoly, is sanctioned.

2. The request in paragraph 2 of the Commissioner's letter will be considered on receipt of the reply of the Government of India to a reference made to it on the subject of delegation of certain powers to heads of departments.

Read—also the following papers:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 24th April 1900, No. 4099.

With reference to G.O., No. 1325, Financial, dated 2nd December last, forwarded with G.O., No. 158, Educational, dated 29th March 1900, withdrawing my power to sanction temporary establishments for the offices of the Assistant and Sub-Assistant Inspectors within the budget provision, I have the honour to observe that the reason given for the withdrawal is that such establishments are now sanctioned by Government, and that hence it is unnecessary to continue the delegation sanctioned in G.O., No. 442, Educational, dated 9th June 1892. I respectfully submit that there seems to be some misapprehension on the part of Government in regard to the temporary establishment referred to in G.O., No. 442, Educational, dated 9th June 1892. This consists of temporary clerks appointed year after year when there is press of annual return work in the offices of the Assistant and Sub-Assistant Inspectors, and such appointments have been made without any reference to Government. The temporary establishments sanctioned by Government consist of temporary attenders in the offices of Inspectors, Inspectresses and Assistant Inspectors (*vide* G.O., No. 400, Educational, dated 27th June 1899) in which sanction was accorded for the year 1899-1900. There are now 62 Sub-Assistants and nine Assistant Inspectors who all require temporary clerks for broken periods and on varying pay. If each individual application for temporary clerks is to be submitted to Government as was done previous to 1892, a great deal of unnecessary work will be thrown on this office and on Government—*vide* this office letter No. 6192, dated 4th May 1892, embodied in G.O., No. 442, Educational, dated 9th June 1892. I have the honour, therefore, to request that you will be good enough to move the Government to reconsider the matter and to obtain the confirmation of the Government of India of this delegation also.

2. As temporary clerks and attenders have already been employed in many of the offices, I request that general sanction be accorded for the employment during 1900-1901 of temporary clerks and attenders in the offices of the Inspecting officers within the budget provision. The Accountant-General has already objected to pass the temporary establishment bill of the Sub-Assistant Inspector of Schools, Chittoor range, for want of Government sanction.

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 8th May 1900, No. 4604.

With reference to memorandum No. 149, dated 10th April last, I have the honour to invite attention to my letter No. 4099, dated 24th idem, and to request that the power of appointing temporary clerks as well as temporary attenders in the offices of the Assistant and Sub-Assistant Inspectors and also temporary watermen in Government institutions within the budget provision be also delegated to me.

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Commissioner for Government Examinations, to the Secretary to Government, Educational Department, dated Madras, 9th May 1900, No. 65-1 D.

With reference to memorandum No. 149, Educational, dated the 10th ultimo, I have the honour to report that I do not consider it necessary that any more powers should be delegated to the Commissioner.

ORDER—No. 231, Educational, dated 6th June 1900.

In its Order, No. 442, Educational, dated 9th June 1892, the Government delegated to the Director of Public Instruction the power to sanction the entertainment of temporary clerks in the offices of the Assistant and Sub-Assistant Inspectors of Schools within the budget provision. But in connection with a proposal to employ temporary attenders in the same offices the Accountant-General stated in his letter, No. 2151, dated 7th June 1898, read in G.O., No. 382, Educational, dated 1st July 1898, that there were no orders authorizing Government to delegate to subordinate authorities the power of sanctioning establishments. It thus became necessary to obtain the sanction of the Government of India to the delegation already made in G.O., No. 442, Educational, dated 9th June 1892, if it was to be continued. Under the impression, however, that the temporary establishments required by inspecting officers consisted of only temporary attenders whose entertainment could be sanctioned in a single order, the Government considered it unnecessary to continue the delegation referred to, which was accordingly withdrawn under G.O., No. 1325, Financial, dated 2nd December 1899. It is now represented by the Director of Public Instruction that, in view of the large number of Assistant and Sub-Assistant Inspectors of Schools who require temporary clerks for broken periods and on varying pay, this action of Government has resulted in much inconvenience. The Government agrees with the Director of Public Instruction, and application to the Government of India will therefore be made in the Financial Department for sanction to revive the above delegation as well as to delegate to the Director the power of entertaining temporary attenders in the offices of Inspecting officers and temporary watermen in Government institutions within the budget provision. Pending receipt of this sanction and formal delegation or re-delegation of powers thereunder as the case may be, the special sanction of this Government should be obtained for the entertainment of such temporary establishments as are required by Inspecting officers.

2. The Director of Public Instruction also requests that he may be authorised to sanction an office-rent not exceeding Rs. 2 per mensem for the Inspecting Schoolmaster of Muhammadan Schools, Madras, while the Commissioner for Government Examinations desires to have the power of sanctioning, up to a limit of Rs. 50 for the Presidency, the purchase of text-books required for use in connection with the examinations under his control. Application to the Government of India will be made in the Financial Department for sanction to delegate these powers to the Director of Public Instruction and the Commissioner for Government Examinations, respectively.

NOTE FOR THE

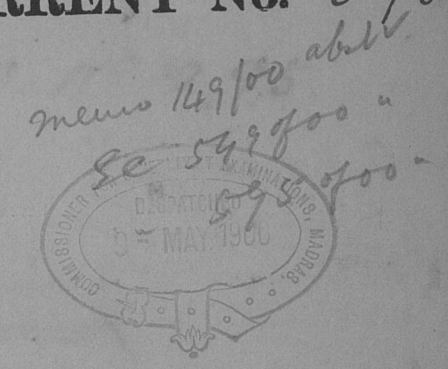

Please see the Secretary's query.

The Director asks for general sanction to the employment during 1900-1901 of temporary clerks & attendants in the offices of the inspecting officers. This means the submitted sanction to employ as many men and on such salaries as the D.P.I. or the inspecting officers may see fit, which is practically a delegation of the power now vested in Govt. The Govt. of India desires such delegation to be made with its approval.

NOTE FOR THE AS

Please straighten this out.

The delegating order of 9.6.92 was with - drawn in Fin. 2.12.

Either I have mis-

or it wants looking into properly.

Accepting Dr's views, we shall have to transfer to Fin formally, with a u.o. note expressing agreement.

Secy.

The delegating order was withdrawn; and the Director protests, as the redelegation of these powers ^{with drawn} in ~~transfer~~ effect a fresh delegation. The sanction of India has to be obtained. This it is proposed to ask for. But it seemed desirable to have a complete list of powers to be delegated. Hence the first part of the note, afterwards cancelled. The second part merely advises the D.P.I. that till formal delegation can be made Govt sanction must be obtained in each case.

A full list has now been received and a fresh draft is submitted.

NOTE FOR THE

There is no objection to the draft order below being counter-initialed. It is a question for orders, however, whether, with reference to para 19 (page 6) of the notes in connection with J.O. No 1325, 1326 Financial, dated 2nd December 1899, the application to the Government of India should not be made by the Educational Department Direct. In that case the draft order would require slight modification towards the end of paras 1 and 2.

For the C.S.
