Finders.

As to whether Raghavulu Nayudu should
be exempted so as to enable him to hold the
post of toll clerk on Rs 15 at once and when
clerk on Rs 17-8-0 as opportunity occurs.
He may, I think, allow the con-
sideration in the case of the fifteen
rupee appointment. It will be time
enough to consider this, when it
comes to appoint him to it.

Copy of letter from Captain J. Lalor, Engineer, Bangalore Division, to the Supt. Engineer, 5 Circle, No. 80 dated 2nd May 1900:-

In forwarding herewith an application for exemption from examination rules for Lock Superintendent A. Raghavulu Naidu in order that he may become eligible for promotion to the post of Toll clerk on Rs 157. I have the honour to submit the following for favourable orders of Government

2. Raghavulu Naidu has held his permanent appointment of Lock Superintendent from January 1895 and has thus put in 5 years and 3 months service. He has discharged his work satisfactorily and has shown complete fitness for the post of Lock Superintendent.

3. The appointments of Lock Superintendents and wharf clerks in the Buckingham Canal are not attractive generally, owing to the necessity of the incumbent having to live on the canal bank and in most cases in out of the way places and without any neighbours in an isolated shed. Passed candidates who take up these appointments are therefore naturally men of inferior capabilities and do not actually show fitness

Statement of Exemption from examination rules for A. Raghavulu Naidu Lock Superintendent.

Name and place of qualification of the candidate for whom exemption is sought	The post in which it is proposed to employ and nature of the appointment whether acting or sub-pro tem or temporary	The period for which the appointment is expected to last	The period for which sanction is now sought with date of commencement and of termination	Is this a first application or one for renewal of previous sanction? In the latter case quote order granting sanction and state for how long the candidate has already been exempted	What steps have been taken to procure the services of a passed candidate and with what result	Recommendation of the Head of the Department
A. Raghavulu Naidu Age 29 years 300 passed the 1st appe. primary examination as Lock Superintendent on Rs. 12 per mensem	Toll clerk on Rs. 15 Permanent	Permanent	To be specially exempted for holding this permanent appointment	1 st application - note remarks in the accompanying letter - (Signed) D. Lalor Cdn Offg. Executive Engineer Chingaput 5 th		
No 3057.						
To the Chief Engineer, P. W. Department for favours of sanction.						
2 A copy of letter No. 8022 dated 2 May 1900 from the Executive Engineer, Chingaput recommending the application for exemption is attached for information.

for duties of a serious executive nature and invariably try to get a better post immediately an opportunity offers itself. It is therefore advantageous to secure the services of men who have proved themselves trustworthy and willing to stay on the canal banks and do duties of Lock Superintendents efficiently. A. Raghavulu Naidu is one of this stamp and has proved himself to be the best of Lock Superintendents. I have therefore the honour to recommend that he be specially exempted from the Examination Rules for that of Toll clerk on Rs. 15 and wharf clerk on Rs. 17-8-4 as opportunity occurs.
