Civil Works.

READ—the following papers:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 7th March 1900, No. 2341.

In continuation of this office letter No. 1605, dated 15th ultimo, I have the honour to submit the enclosed plan, together with estimate, amounting to Rs. 3,080, for improvements to the Government Girls' school building at Kumbakónam, and to request that the estimate may be approved and forwarded to the Public Works Department for early execution of the work.

2. I beg to add that the work has been included in the budget estimate of civil works to be executed by the Public Works Department during 1900-1901 submitted with this office letter No. 10852, dated 23rd September 1899, and that the allotment therein provided falls short of the estimate by Rs. 420. I trust that it will be found possible to meet this additional charge from general savings.

No. 104, Educational.

Approved and transferred to the Public Works Department.

10th March 1900.

(Signed) R. W. D'E. ASHE,
Ag. Assistant Secretary.

Note by the Chief Engineer, Public Works Department.

The estimate of Rs. 3,080 for improvements to the Government Girls' school at Kumbakónam in the Tanjore district, is recommended for sanction with the following remarks.

2. It will be seen from the report accompanying the estimate that this building was at one time a private residence built after the native style and was purchased by Government to accommodate a girls' school—vide G.O., No. 696, Educational, dated 5th November 1889, communicated with G.O., No. 3265 W., dated 18th November 1889.

3. The building is very old, and the roof consists of country wood beams and joists which are mostly rotten. The roof is therefore very unsafe, and it is proposed to replace it, using rolled steel girders and teak joists.

4. It is also proposed to increase the accommodation by converting the existing courtyard into a class room covered with a Mangalore tiled roof and with glazed ventilators all round, as shown in the plan.

5. The undersigned considers that the building will be unsuitable for a school, even after the expenditure of Rs. 3,080 now proposed is incurred, and that it was a mistake to purchase a building so unsuited for its purpose.

23rd April 1900.

(Signed) W. B. DEWINTON,
Chief Engineer.

ORDER—No. 1326 W., dated 19th May 1900.

The estimate, amounting to Rs. 3,080, for improvements to the Government Girls' school at Kumbakónam in the Tanjore district is sanctioned.

2. The work has not been provided for in the current year's budget, nor can funds be spared at present. The question of making an allotment will however be considered should funds become available later in the year.

3. The sanction accorded in paragraph 1 has been registered as Provincial No. 13 W. of 1900-1901, and classified as Civil Buildings—Original Works.
