ENCLOSURES.

From the Principal, Medical College, Madras, to the Director of Public Instruction, dated 22nd December 1899, No. 387.

In forwarding copy of a letter received from the Principal Medical Officer, Straits Settlements, I have the honour to request the favour of your obtaining very early sanction from Government, if it has not already arrived in your office, for the payment of bills for cost of text-books, &c., supplied to the Straits Medical Students this year. I twice addressed the Accountant-General to find out if any orders on the subject have been received in his office in view to present the bills for payment, but have received replies in the negative.

Letter from the Principal Civil Medical Officer, Straits Settlements, Singapore, to the Principal, Medical College, Madras, No. 572, dated 22nd August 1899.

I have the honour to acknowledge the receipt of your letter, No. 192 of the 11th instant, forwarding bills for books supplied to Straits Medical students and in reply to state that this Government has written to the Government of India to supply the students with the necessary books, &c., the expenditure so incurred being debited to this Colony in its account current with the Government of India. I have to request therefore that you will apply to the Indian Government for payment of the bills in question and any further bills you might receive.

2. I would ask, however, that you will be kind enough, whenever a bill is paid, to enter the names of the students for whom the expenditure is incurred, to enable this Government to recover the amounts from the respective Native States to which the students might belong.

Order—No. 92, Educational, dated 1st March 1900.

The Government of India will be addressed.

Order—Mis. No. 242, Financial, dated 9th March 1900.

The following letter will be despatched to the Government of India.

(Signed) G. STOKES,
Chief Secretary.

Letter—No. 243, Financial, dated 9th March 1900, to the Secretary to the Government of India, Finance and Commerce Department.

Under the arrangement made with this Government at the beginning of 1899 by the Government of the Straits Settlements in connection with the training of students sent to the Madras Medical College by the latter Government, the Principal of the College has to supply the students with the necessary text-books at the beginning of the first and third years of their study and recover the cost from the Government of the Straits Settlements. The Principal accordingly supplied the students under training during the session 1899-1900, with books to the value of Rs. 349, but when he forwarded the bills for the amount to the Principal Medical Officer, Singapore, for payment, that officer stated that his Government had requested the Government of India to arrange for the supply of the required books and to debit the cost to the Colony in its account current with the Government of India. The Principal has therefore now referred the matter to this Government, but as the Governor in Council

has not yet been informed of the result of the correspondence above alluded to, I am directed to request that the Government of India will be pleased to instruct the Accountant-General, Madras, to pass the present charge and all similar charges in future and to carry out the necessary adjustments through the Land Revenue Head.

8th August 1900.

(Signed) G. STOKES,
Chief Secretary.

READ—also the following paper:—

From the Assistant Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Simla, 17th May 1900, No. 2438-A.

I am directed to acknowledge the receipt of your letter, No. 243, Financial, dated the 9th March 1900, regarding the adjustment of charges connected with the training of students sent to the Madras Medical College by the Government of the Straits Settlements.

2. In reply I am to say that the correspondence with the Government of India referred to by the Principal Medical Officer, Singapore, cannot be traced. The Accountant-General, Madras, will, however, be instructed to pass on the outstanding charge and all similar charges to the Comptroller, India Treasuries, for adjustment with the Government of the Straits Settlements.
