4. Copy of Sub. Dn. No. 13 dated 23rd September 1899 or District office

Cur. No. $\frac{1619}{\text{genl.}}$ of 99.

To

The Superintendent of Police South Arcot.

Sir,

I have the honor to state that on the night of 26-8-99, during my camp at Sankarapuram Station limits, 3 dacoities were committed in the said limits at 12 in the night; Hd. Constable informed my writer about it, who carried the news at once to me. I prepared myself to proceed immediately to the scene of crime. My writer C. Sivaprakasa Mudaly was ready, uncalled for, to go with me; we went to the scene of crime directly with Hd. Constable, followed by some Villagers; my writer assisted me good deal in enquiring into the matter and rightly guessed the direction (*i. e.*) south in which the dacoits proceeded from the 1st scene of crime; we immediately proceeded towards that direction, and on the way learnt that another dacoity had been committed by the said persons; we at once hastened to the spot, examined the complainants, took with us one of the injured persons from there and proceeded further on, towards the south; one Constable No. 235 with about 20 villagers previously proceeded towards the south to the village of Nerumanoor. On the way learnt that the gang had spit into two, and that one was running in an Easterly direction. Immediately we proceeded along in that direction and my writer observed in a channel the foot-prints of some persons that had run; young and inexperienced of the executive work, as he is, he did not spare any pains to run with me at a great speed between bushes and on hard surfaces without any fear, in hunting after the gang. In the meantime the Constable that had previously gone to Nerumanoor sent word that 8 persons were arrested. I thought that "a bird in the hand is worth two in the bush," so directed my writer to return, to go to Nerumanoor; we then proceeded to the village, saw the accused kept in a line in the street; it was about 2-30 A. M. of 27-8-99. My writer assisted me in watching the accused from escaping till dawn of day, and also managed to catch hold of some trustworthy villagers to watch the houses of the accused till they had been searched and the prisoners were taken away to station from the village.

I am therefore led to think from the above that he is very intelligent hard-working, and deserving of encouragement. I would have submitted this report long ago but waited to know how he would be doing in his office work; he is giving satisfaction, has an inclination and taste to work, and I trust that he will ever work hard and will spare no pains in giving satisfaction to his superiors in whatever situation he may be found qualified for. He is a promising young man.

I have herewith sent you a draft for good service entry to be made in his service book kept in the Hd. Qr. office.

2. I have looked into the extract from the service book of his father, and also heard of his eldest brother C. Paramananda Mudaly who was the Inspector of Police Kumbakonam, during my stay at Tanjore, whose work has been appreciated by Mr. Leggatt Ag. Superintendent of Police, Tanjore and who has been transferred of late to Virudupatti Tinnevely District, in connection with the riots. I believe that the whole family must be energetic; I hear that he is senior in service and rank to the qualified hands in the Hd. Qr. office who now remain on Rs. 14 and the Upper

Secondary examination which he has passed is superior to Matriculation and considered by the Govt. as equivalent to B. A. and first in arts examinations as per copies of G. Os. attached. (No. 2721 dated 30th Sep. 97 and its reference).

Besides himself, his father C. Kathurvelu Mudaliar also served in the Police, earned a good name, and attained a high rank as Hd. Qr. Inspector of Police 1st class, within a service of 15 years, his brothers are employed in the Police; as the whole family served and is serving the Police, it is very desirable that his claims both by heridity and by his present higher educational qualifications, be taken into consideration, along with the fact that few nonbrahmins with educational qualifications especially sons of higher officials are available, and his name be noted in Hd. Qr. office for his promotion to Rs. 25 when the new scheme for the Hd. Qr. office comes into force. I strongly recommend him for promotion, and wish to keep him in the Sub. Dn. office as 1st clerk and the present clerk Ranga Row might be taken in the Hd. Qr. office on promotion.

I have the honor to be,

Sir,

Your most obedient servant,

Camp Ulundurpet.

(Signed) Geo. H. Cockburn,

Asst. Supt. of Police S. A.

5. Remark of the District Supt. to the above letter submitted by the Asst. Supt.

"There are many seniors to him waiting for vacancies and regret I cannot hold out promotion for him; yet I am glad to hear that he is doing well and trust he will continue."

(Signed) J. H. STODDART,

Supt. of Police.

28-9-99.

6. Reply of the Asstt. Supt. to the above remarks.

"I hear that all the seniors referred to, except your present C. W. are unpassed men, and your C. W. is already drawing Rs. 25 per mensem; I do not mean that my writer C. Sivaprakasam should debar unpassed men from getting employment under the new scheme, or from being promoted. But my meaning is simply that if outsiders should have to be entertained by reason of their educational qualifications, neither such outsiders nor my writer juniors should take precedence over him.

8. Remark of the A. S. P. on a petition applying for a temporary transfer to Hd. Qr. office when applicant's mother was unwell (as A. S. P. was unwilling to spare his services).

I know that petitioner's mother is ill. I therefore suggest that Hd. Constable No. 55 petitioner's brother be temporarily transferred to Pudukkalam Taluq. This course would obviate all other difficulties attendant on the transfer of petitioner himself to Hd. Qr's. should the Superintendent deem it advisable to temporarily transfer petitioner himself to Hd. Qr. I request that a reliable man may be sent in his place.

Sir

With reference to District Order No. 39 dated 17-2-99, I have the honor to report that I have nothing more to add about the capacity of C. Sivaprakasa Mudaly's work as Sub Division 2nd clerk than what I have already reported in this office S. No. 13 or District office cur No. ¹⁶¹⁹/_{general} of 99 dated 23rd September 99. No report has been called for after the expiry of the 6 months.

2. When he was first posted to Sub Division, he was first in charge of the office, and then as circuit clerk, of the Assistant Supt. and in the capacity of the latter, he has given much satisfaction.

3 I therefore recommend him for confirmation in his present appointment.

To

HIS EXCELLENCY

SIR A. E. HAVELOCK, G. C. M. G., G. C. I. E.,

Governor and President in council

Ft. St. George, MADRAS.

Through the Inspector General and Deputy Inspector General C. R. and
Superintendent of Police South Arcot.

The humble petition of C. SIVAPRAKASA MUDALI, Ag. Head clerk, Police Sub
Division office, Trikoilur, South Arcot District, son of late C. Kathirvelu Mudaliar,
Hd. Qr. Inspector of Police, South Arcot, most respectfully sheweth: -

That your Excellency's petitioner passed the Government Upper Secondary
examination (Ft. St. George Gazette dated 21st June 98) optional subjects being Book-
keeping and Commercial correspondence (both intermediate grade). This examination
is considered to be above the standard of the Matriculation, as will be seen from the
following facts: -

I. Upper Secondary candidates are required to get the following minimum No.
of marks to pass in the compulsory portion of the examination.

Upper Secondary exami-
nation is more difficult than
Matriculation and equal if
not superior to F. A.
Notes a, b, & c.

a (1) In English language.

50 Per cent in spelling
50 Per cent in hand-writing
50 Per cent in translation or advanced composition and
40 P. C. on the whole.

(2) 35 P. C. of the Marks in each of other subjects and

(3) 40 P. C. of the aggregate No. of marks of other compulsory subjects vide Ft.
St. George Gazette Part 1 dated 10th Oct. 93 page 1166 art 9, note 1, 2 & 3, and thus
the failure in any one of each of the several branches means a complete failure in the
examination. Upper Secondary candidates alone are examined in Translation or ad-
vanced composition where they should secure 50 P. C. whereas there is no such com-
pulsary examination under the 1st Language (English) for F. As. or Matriculates.

b. In addition to the subjects prescribed for the Matriculation examination, the
Upper Secondary candidates are required to pass in two subjects of the Government

Technical examinations of the intermediate grade vide Ft.
St. George Gazette Part I dated 10th Oct 93 page 1166
note 13, which enables the Upper Secondary men to acquire
a fair knowledge of office work both as regards correspon-
dence and accounts before entering any office, and the fee for
completing the Upper Secondary examination is Rs. 18
against 12 for Matriculation.

c. The existence of only 27 candidates (vide G. O. on Educational report for 1898) who have passed the Upper Secondary examination in the Presidency though the examination was held 9 times after its institution till 1898 is a sufficient and a clear proof of the severity of the examination which prevents students from appearing for it, and its superiority to the Matriculation examination in which passes are more numerous.

d. As per public service notification clause II, Note 2 all under-graduates are required to pass in Handwriting and dictation according to the tests prescribed under First language (English) in the Upper Secondary examination notification. Thus it is clear that F. As. and Matriculates cannot enter the Public Service without passing the Handwriting and dictation, whereas the Upper Secondary candidates are at once eligible for Government service.

e. As per rules relating to the competitive examination for Assistant Inspectors in the Salt and Abkari Department, clause 3, Sub Dn. (2) those who have passed F. A. and the Government Upper Secondary examination are alone permitted to appear for that examination.

f. The practice of reserving one appointment in the 4th class 2nd grade in each Calendar year, on Rs. 30—40 with an annual increment of Rs. 2 in each circle, to F. As. and B. As. has been extended to Upper Secondary men by a special G. O. No. 2721 dated, 30th September 97.

g. As per rules made by the High Court of Judicature at Madras for pleaders, clause XII b, only F. As. and Madras Upper Secondary men (and not Matriculates) are eligible for admission to the Pleadership examination of the 2nd grade; and this pleadership examination 2nd grade is considered equivalent to Judicial test Lower, both criminal and civil (Public service notification dated 19-4-98 Part 1, B of the Ft. St. George gazette Page 205. Heading Police Department, mark † foot note).

II. Your Excellency's petitioner begs to submit that Matriculates who are not encouraged in any other department have been given some encouragement in the Police Department where they are allowed to go up for Criminal Lower examination if they are Head Constables in the executive branch and are permitted by the Inspector General of Police, and that considering the greater difficulty of the Upper Secondary examination, it is reasonable that comparatively better encouragement should be shown to the Petitioner in the Police Department whether he is in the executive branch or not, by allowing him to go up for Criminal Lower examination on the grounds detailed in the foregoing para.

III. It is very hard on such candidates that the gracious Government who have instituted such a difficult examination as the public service test as the Upper Secondary examination and allowed it as a qualifying test for Asst. Inspector's place in Salt and Abkari Department and Pleadership examination 2nd grade which is equivalent to Judicial test lower both criminal and civil, and given it an equal status to F. A. and B. A. examinations with regards to the appointments in Public Work Department

vide copy of the G. O. annexed, should have thought it proper to keep them in the same level as Matriculates in the Police Department by not allowing the Upper Secondary candidates to go up for criminal test lower grade—an examination much easier than the Pleadership examination 2nd grade unless they are in the executive branch and permitted by the Inspector General of Police.

IV. That ever since your Excellency's petitioner enlisted in the police, he has been doing his best to give satisfaction to his immediate superior officers and how far he has succeeded will be seen from the attached copies of certificates of good conduct &c.

V. In these circumstances therefore the petitioner solicits that the paternal government will be graciously pleased to permit him to appear for the criminal lower examination or the concession granted to Head-constable who have passed Matriculation and who are employed in the executive branch may at least be extended to him, and exempt him from passing the translation test lower grade as he has already passed the special and compulsory translation test under the 1st language (English) of the Upper Secondary examination which is in no way easier than the translation test lower grade, under the Special tests.

For which act of kindness and justice petitioner, shall as in duty bound

EVER PRAY.
