With reference to G.O. No 3340 H, dated
21st December 1899, I have the honor to
append a list of persons to whom, I beg you
will obtain exemption from Examination.

These men have been acting in the Department for periods varying between 1 + 4½ years, and have thereby established a reputation for sobriety, honesty and efficiency and a claim on Government which cannot be differentiated. There is not one, I wish to part with, the more so that the applications from passed Candidates are not promising and betray in several cases, a desire to utilize the appointments, as merely temporary resting places.

I am aware that these applications should have been submitted long ago, and I am to blame for overlooking the matter. But the peons should obviously not suffer on this account

APPLICATION for exemption from Examination Rules of unpassed candidates for employment in the Office of the Executive Engineer
Mingapattam Division.

Name, age and educational qualifications of the unpassed candidate for whose employment sanction is sought.	The post in which it is proposed to employ him and nature of the appointment, i. e., whether acting or sub, pro tem, or temporary.	The period for which the appointment is expected to last.	The period for which sanction is now sought (with dates of commencement and of termination).	Is this a first application or one for a renewal of a previous sanction? In the latter case quote the previous order granting sanction and state for how long the candidate has been already exempted.	What steps have been taken to procure the services of a passed candidate and with what result.	Recommendation of the Head of the Department.	Remarks.

SUBJECT.

Exemption from the examination rules.

FOR ORDERS.

no. only 6
permanently
This is
doubtful, though

The Executive Engineer,
Vizagapatam division, applies for
the permanent exemption from the
examination rules of ~~some~~ twelve
men who are employed as peons
in the division. It is stated that
"applications from passed men are
not promising and betray in
several cases, a desire to utilize
the appointments as merely temporary
resting places". The men, whose
exemption is now sought, have,
however, been in the temporary
establishment for some time
and are said to be deserving.

Orders are solicited as to whether
exemptions applied for may be
granted. It is submitted that the Executive
Engineer has not made out a case for the exemption
of

for
25/6

all these men. If he had tried the passed
men available & found that they were wanting
the case would have been different.

Mr Mackenzie is
quite fervent: is a
claim depending on say
"1" years service so very
weighty?

2. Vizagapatam is however
one of those districts where
decently paid passed men
are not easy to find; & as
these persons are merely
peasants, perhaps we may
give them the benefit of
the doubt & exempt?

On the whole I venture
to recommend it.

He has not really tried.

I am afraid no case has
been made out.

Order: - Rs. 264 d/2-7-00
The Government is not
prepared to sanction
the exemption which
the Executive Engineer
proposes.
