In reviewing the report of the Committee for 1898-99, the Director of Public Instruction requested the Committee to examine certain vernacular books requiring expurgation, and advise him as to the best means whereby they might be completely divested of all objectionable matter. The President has asked the Director to lay down some general principles for the guidance of the Committee in this matter. When his reply is received the examination of the books will be proceeded with.

6. The catalogue of the books in the Director's office, to which reference was made in the Director's review of the report for 1898-99, is being examined by the Library Sub-Committee; and the recommendations of the Sub-Committee will be laid before the Director at an early date.

(By order of the Committee.)

MADRAS,
21st April 1900.

(Signed) W. B. MORREN,
Secretary, Madras Text-Book Committee.

Proceedings, No. 5491 of 1900.

The changes that occurred in the constitution of the committee during the year are given in paragraph 2 of the report. The vacancies referred to therein except the one caused by the resignation of Dr. Jones do not seem to have been formally reported to this office and have not therefore been filled up. The appointment of the members mentioned in the same paragraph was made in the place of others who had left. The place of Mr. R. L. Jones on the committee was, with the approval of Government, kept open for him, and his name should be included in the list. In view of the orders of the Government of India in their recent resolution, steps will be taken to reconstitute the committee.

2. During the year, 209 books were referred to the committee and there were three books on hand on the 1st April 1899. The committee had thus under its consideration 212 books, all of which had been examined before the close of the year. It is satisfactory to note that the work of the committee has been kept so well in hand.

3. As ordered by the Government of India, the rules regulating the working of the Text-Book Committee are being revised, and the questions referred to in paragraph 5 of the report will be considered along with them.

4. The recommendations of the Text-Book Committee in regard to the library catalogue have just been received and steps will be taken to carry them out.

5. The Director takes this opportunity to convey to the President and the members of the Committee his thanks for the services rendered by them to the Department and the public during the year.

(A true Extract.)

(Signed) G. H. STUART,
Director of Public Instruction.

To the Secretary, Text-Book Committee.

5. The lists of books passed by the various sub-committees shall be printed and circulated among the members of the Committee at least a fortnight before the date of the meeting at which they are to be approved.

(Signed) W. B. MORREN,
Secretary, Madras Text-Book Committee.

In reviewing the report of the Committee for 1898-99, the Director of Public Instruction requested the Committee to examine certain vernacular books requiring expurgation, and advise him as to the best means whereby they might be completely divested of all objectionable matter. When his reply is received the examination of the books will be proceeded with.

6. The catalogue of the books in the Director's office, to which reference was made in the Director's review of the report for 1898-99, is being examined by the Library Sub-Committee; and the recommendations of the Sub-Committee will be laid before the Director at an early date.

(By order of the Committee.)

MADRAS,
21st April 1900.

(Signed) W. B. MORREN,
Secretary, Madras Text-Book Committee.

Proceedings, No. 5491 of 1900.

The changes that occurred in the constitution of the committee during the year are given in paragraph 2 of the report. The vacancies referred to therein except the one caused by the resignation of Dr. Jones do not seem to have been formally reported to this office and have not therefore been filled up. The appointment of the members mentioned in the same paragraph was made in the place of others who had left. The place of Mr. R. L. Jones on the committee was, with the approval of Government, kept open for him, and his name should be included in the list. In view of the orders of the Government of India in their recent resolution, steps will be taken to reconstitute the committee.

2. During the year, 209 books were referred to the committee and there were three books on hand on the 1st April 1899. The committee had thus under its consideration 212 books, all of which had been examined before the close of the year. It is satisfactory to note that the work of the committee has been kept so well in hand.

3. As ordered by the Government of India, the rules regulating the working of the Text-Book Committee are being revised, and the questions referred to in paragraph 5 of the report will be considered along with them.

4. The recommendations of the Text-Book Committee in regard to the library catalogue have just been received and steps will be taken to carry them out.

5. The Director takes this opportunity to convey to the President and the members of the Committee his thanks for the services rendered by them to the Department and the public during the year.
