From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

I have the honour to request that the Superintendent of Stationery may be instructed to supply two Remington Typewriters, No 7, to the School of Commerce, Calicut. There are now six machines in the school—one Hammond, one Remington No 5, one Yost, one Barlock and two Remingtons No 7 of which the Hammond is reported to be useless for purposes of examination. The Remington machine No 5 which is an old one, does not work well to be used at the examination. There are, thus, only four good machines in the school and two more of the recognized pattern are necessary to give the students sufficient practice. Last year, admissions had to be refused to a large number of students on the ground that the number of machines available in the school was too small to give them the necessary practice. This year, several applications for admission into the typewriting class have been received by the Headmaster from natives of Travancore, Salem, Coimbatore and Tinnevely. Provision has been made for the charge in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
