G.O.	No.	Department.	Date.

27th April 1900.

Letter from M. Venkataratnam, Acting Second Assistant, Teachers' College, Saidapet. (3)

When I entered Government service in 1881, I put down the 6th January 1857 in the service register as the date of my birth. I have since obtained a copy of my Baptismal Certificate and find that the month of April without any particular ^{day} ~~date~~ mentioned, is given in it as the date of birth instead of the 6th January. As this is the only authority I now have for the correct date, I beg to request you kindly to give me permission to alter the entry in my service register from January 6, 1857 to April 1857.

25th May 1900.

Letter from the same officer,

In reply to your memorandum No 203, dated 14th May 1900, I beg to inform you that at the time when I entered Government service, i.e. in January 1881, I had no copy of my Baptismal certificate with me and had therefore to give the date of my birth as near as I could then remember it. Subsequently, however, I was able to get a copy of the certificate and as I found that a different month was entered in it against the date of birth, I have applied for permission to correct the entry in the service book. As it is, the certificate does not give the exact date of birth, but that is the only authority I have at present with me for the date, my original horoscope written in the vernacular having unfortunately been lost.

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

I have the honour to submit copies of two letters from M.R.Ry.M.Venkataratnam, Acting And Assistant, Teachers' College, Saidapet, requesting permission to correct the entry "6th January 1857" in his service Register into "April 1857" as the date of his birth and to instruct the Accountant-General to make a similar correction in the annual returns furnished to that officer. M.R.Ry.Venkataratnam entered Government service in 1881 and as he had no copy of his Baptismal Certificate with him at the time he entered the date of his birth as near as he could then remember it. He says that he has since obtained a copy of his Baptismal Certificate (which is herein enclosed for reference and favour of return) and that he has found that the month of April without any particular day mentioned is given in it as the date of his birth. His horoscope having been lost, he says that the certificate is the only authority he can produce for the date. I have the honour to request that you will be good enough to obtain the sanction of Government under article 55 (b) of the Civil Account Code-Volume I to alter the entry against date of birth in his service register and in the annual returns from "6th January 1857" to "April 1857"

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart
