Letter from the Inspector General of Education, Mysore, No 1-2/2, dated 3rd July 1900 to the Director of Public Instruction, Madras.

I have the honour to inform you that the Government of Mysore have awarded a scholarship of Rs.30 a month to Miss Elizabeth Scaldwell to enable her to study for the Apothecary grade in the Madras Medical College. As she has not passed the Matriculation Examination but only the Lower Secondary Examination, the Government of Mysore will esteem it a favour if you will be so good as to obtain the sanction of the Government of Madras for her admission to the Apothecary Department of the Medical College. The scholarship has been given to Miss Scaldwell chiefly out of consideration for her late father's long and distinguished service in the Public Works Department, his death having placed the family in difficult circumstances. As Miss Scaldwell is of European parentage it is hoped that the want of higher educational qualifications will be kindly excused. 2. The new session has already commenced in the Medical College. I request you will kindly take steps at your earliest convenience to obtain the sanction of Government.

From

THE HON'BLE MR. G. H. STUART, M.A., *Barrister-at-Law*,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to the enclosed copy of a letter from the Inspector-General of Education, Mysore, No 1-2/2, dated 3rd instant, I have the honour to request that the sanction of Government may be obtained to the admission into the Apothecary department of the Medical College of Miss Elizabeth Scaldwell. Miss Scaldwell has not passed the Matriculation Examination as required in G.O. No 121, Educational, dated 28th February 1889, but has passed the Lower Secondary Examination and has read up to the fifth form. If her admission is sanctioned, she will be considered to be on probation during the first month, within which period a fair estimate can be formed of her ability to follow the course of instruction in the College intelligently.

2. The Principal, Medical College, recommends the admission of Miss Scaldwell.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart
Director of Public Instruction.
