THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

I have the honour to state that the Accountant-General has recently objected to the purchase of such official publications as the Grant-in-Aid Code, the Inspection Code and the Madras Educational Rules, by the officers of this Department and he has informed me that such publications should be supplied to these officers gratis under article 98 (d) of the Civil Account Code. It has ^{hitherto} been the practice of this Department to supply copies of the Grant-in-Aid Code free of cost to inspecting officers only, all other officers, such as Principals of Colleges and Headmasters of Training schools, being permitted to purchase them from the contingent allowance of their respective offices. Copies of the Inspection Code and the Educational Rules have similarly been purchased by all Educational officers who required them, the cost being met in the same way. I have requested the Accountant-General to admit the charges ^{incurred} on account of purchases already made by some of the officers of this Department with my sanction. I request that you will be good enough to obtain the sanction of Government for the free supply of these official publications to all Educational officers who may require them in future and to

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

NOTE FOR THE ASSISTANT SECRETARY.

The D.P. requests that some may be accorded to the free supply of such official publications as the grant in aid cover the inspection code and the madras education rules to all educational officers who may require them and that the necessary instructions may be issued to the Superintendent Govt. press. It is submitted however that there should be some check on such free supply and that the best course appears to be for the Director to keep a stock of these books and issue copies to his subordinates as required. In that case the Superintendent Govt. press may be authorised to supply him free, with any number of copies of the books which he may require. If this is not approved the Director may be asked to furnish the Superintendent a list of the officers to whom copies should be supplied free. The Superintendent can then be authorised to forward copies to all officers mentioned in the list whenever new editions are issued. Copies required at other times may also be supplied free, provided the applicant obtains the Director's special sanction. The case falls

But the head of the

I doubt the plan suggested
at A working well. That

The sanction of Govt. to the

lications mentioned is not neces-

ingly ~~be requested to furnish~~
the Superintendent, Govt. Press,

intendent may ~~distribute~~ ^{follow up} copies

will also be supplied free if
such supply is sanctioned by
a Director.

I think this may be
omitted. It follows from
