LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCE AND COMMERCE DEPARTMENT.

SIR,

Adverting to paragraph 2 of Mr. Meyer's letter, No. 942 Ex., dated 3rd March 1900, I am directed to submit, for the sanction of the Government of India, the following delegations of powers to the Director of Public Instruction and the Commissioner for Government Examinations, Madras:—

Item of expenditure.	Heads of department or officer.	Extent of power.
Temporary establishment ..	Director of Public Instruction.	To sanction, within budget provision, the employment of temporary clerks for the offices of the Assistant and Sub-Assistant Inspectors of Schools; temporary attenders for the offices of the Inspecting officers; and temporary watermen for Government institutions.
Office-rent	Do. do.	To sanction office-rent not exceeding Rs. 2 <i>per mensem</i> for the Inspecting Schoolmaster of Muhammadan Schools, Madras.
Purchase of books ..	Commissioner for Government Examinations.	To sanction, up to a limit of Rs. 50 for the Presidency, the purchase of text-books required for use in connection with the examinations under his control.

2. The power to sanction, subject to budget provision, the entertainment of temporary clerks in the offices of the Assistant and Sub-Assistant Inspectors of Schools was delegated by this Government to the Director of Public Instruction in 1892, and was exercised by that officer up to 1899, when it was withdrawn under a misapprehension and excluded from the list of delegated powers submitted with my letter, No. 1326, Financial, dated the 2nd December 1899. The Director of Public Instruction has represented that this withdrawal has caused much inconvenience; that there are 62 Sub-Assistant and nine Assistant Inspectors, who all require temporary establishments for broken periods and on varying pay; and that if each individual application for temporary establishment in these cases is to be submitted to Government, a great deal of really unnecessary work will be thrown upon his office and upon Government. The Government agrees with these views and would therefore revive the delegation in the form given above.

3. As regards the second delegation which relates to office-rent, I am to point out that the Director exercises a similar power in respect of the offices of Sub-Assistant Inspectors of Schools.

4. With reference to the power to sanction the purchase of text-books required for use in connection with the examinations under his control which it is proposed to delegate to the Commissioner for Government Examinations, I am to state that that officer exercises, as Director of Public Instruction, the power to sanction the purchase of class, library and prize books and apparatus, &c., within budget provision. The proposed delegation will reduce unnecessary correspondence.

I have the honour to be,

Sir,

Your most obedient servant,

OOTACAMUND,
21st July 1900.G. STOKES,
Chief Secretary.
