Sir:

The Sanitary Commissioner
Madras

Humble Memorial of
Syed Khader Khan, a member
of the Karnatic Family and
related to Nawab Wajajah.

Humblly Sheweth,

That The humble Memorialist
served as a Temporary Sanitary Inspector
on Plague Duty in The Anantapur Distⁿ
that his services were dispensed with
owing to the reduction in the establishment.

That he is now seeking a
permanent footing under your Honours-
lent Government in The Salt & Akkari
Department.

That his educational quali-
fications do not permit him to do so;
and he therefore craves that he may
be granted the permission required by
The Dy: Commissioner of Salt & Akkari
Dept: as per copy of order herein enclosed.

In conclusion the Memorialist
humbly begs to enclose copies of his
testimonials for your kind perusal.

For which act of kindness
the Memorialist will ever pray for
you

Your long life and prosperity.

Your most humble
Memorialist.

Syed Abdul Khader Kha
Served

Served in the Gunakal range
Anantapur Dist as a civil sani-
tary Inspector for a period of
about five months and has
given satisfaction. As there was
not much Plague in the villages
under his charge, he was asked
to look after their sanitation,
which he did creditably. Owing
to the subsidence of Plague in
that Dist, this Inspector in
company with many others was
sent away on the 17th Inst. He
now intends seeking for a similar
employment in the Nizam's
Dominions, where he will by
reason of his rationality, be
found more useful.

NOTE FOR THE Secretary.

This case has not been
dealt with according to
the ordinary rules of the
Secretariat. There are standing
"petition rules", & under them
the petitioner should have
received an endorsement
running in the terms of ^{Clause (3)}
the 5th rule in the collection
called ~~marked~~ C on the 23rd
June last. The second
paragraph of that order
of that date is in
~~the~~ ^{the} form which
should very rarely be
employed even to pertinacious
petitioners: a former
Chief Secretary, Sir Henry
Stokes, set his face against
it.

2. The petitioner now comes
up through a head of a
department, who, instead
of addressing the man &
taking him a copy
of his reply to the petition,
^{decides to} forwards the communication
to Government direct, &
recommending it for favourable
consideration.

9 ✓
has been proposed to
lodge the paper. This
would be, I think, quite
contrary to proper procedure.

I venture to submit that
the San. Comm² should
receive a copy.

NOTE FOR THE M. M.

I venture to submit this file,
and to suggest that perhaps under
the circumstances - G.O. 12.7.99
No 698 - in which exemption was
refused to the applicant Syed Abdul
Khader Sahet. Injail he reconsidered.

The man served as a
Crisis plague inspector in Anaulapur
for 5 months and now his petition is
submitted for "favourable consideration"
by D. King and it appears that
Mr. Memman is likely to give him
some employment in the San. Dept
if he can get exemption.

The man has been very
persistent in asking, and was told
on the last occasion that further
petition would not be noticed.

I do not know the man, but
understand he is very anxious
to earn something to live upon, &
the fact that he volunteered &
actually did plague duty for five
months shows he must have
some special stuff in him. He
probably was educated in a way

which makes it hopeful for him
to attempt to pass matriculation
exam. If he gets into Salt, & makes
a good out door officer, it is possible
he may become a Sub Inspector in
time. I understand Mahommed
as Sub Insp. are badly wanted in
the Salt Dept. Perhaps under
the circumstances he will
be under the orders passed & grant
the man exemption for app. in
the Salt or Abkari
