(Another case in
point)
H.P.

Name, age and educational qualifications of the unpassed candidate for whose employment sanction is sought.	The post in which it is proposed to employ him and nature of the appointment, i.e., whether acting or sub. pro tem. or temporary.	The period for which the appointment is expected to last.	The period for which sanction is now sought (with dates of commencement and of termination).	Is this a first application or one for a renewal of a previous sanction? In the latter case quote the previous order granting sanction and state for how long the candidate has been already exempted.	What steps have been taken to procure the services of a passed candidate and with what result.	Recommendation of the Head of the Department.	REMARKS.

Mir Wajid Ali Kirmani, Age 20; Lower Secondary Examination of 1894; can read and write Persian and Tamil.	Sub-Inspector permanent.		Permanent.	First.	There are plenty of passed Brahmin candidates, but the Division is already overstocked with men of this caste.	The candidate is at present a probationary Sorter in the Railway Mail Service (pensionable) and has given satisfaction, vide Superintendent's letter enclosed. He is a sturdy, intelligent young man, 20 years old, and belongs to a respectable Muhammadan family. He would make a good Sub-Inspector and I am anxious to reduce the very undue proportion of Brahmins in this Division. (True Extract.) (Signed) J.H. Merriman, Deputy Commissioner.	

OFFICE OF THE
Dated 30 July 1900.
To the Secretary to Government, Educational Department,
with one enclosure to be returned.

Resolution:-

Submitted to Government and recommended for favourable consideration.
2. There is a great paucity of Muhammadans in the Department.

SUBJECT.

Forwards an application from Mir Majid Ali Kinnari

SIR,

I have the honor to forward for favorable Consideration, an application from Mir Majid Ali Kinnari for employment in the Salt and Akari Department.

2. The applicant has been a Probationer in this Division from September 99, and has during the time given satisfaction.

3. I have at present a large number of probationers to provide for, so that the applicant's chances of transfer to the permanent establishment, are rather remote, and as the disease of the applicant's father has plunged the family into great difficulties, I shall be only too glad to spare his services if you can see your way to advance his prospects by giving him permanent employment.
