The Executive Engineer doesn't say that there were no applications at all from passed candidates. Before therefore this application for exemption is considered it is submitted that the P.W.D. may be asked to obtain precise information on the above point. Explanation may also be called for as to why the vacancies were not advertised.

I would exempt, as asked, to end of Act. in the second case, & call for further info. in the first one.

2. The Examiner of P. W. Accounts, has been disallowing the pay of the 2 peons under reference on the score of their being unpassed men and the present application is for a temporary removal of audit objections. If such temporary exemptions are not granted officers will have to work but short handedly which will be prejudicial to the interest of public service
