Note.

It seems inadvisable to urge the D. to reply to para. 3 of G.O. No. 214 of 22nd May 1900, at this date.

Nothing but recording appears to be feasible. When the suggestions lettered (3) & (4) in paragraph 3 of Educl. letter No. 29th instant can be adopted, some relief may perhaps be afforded by the Director

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 18th July 1900.

No. 7080

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to paragraph 2 of G.O.No 214,Edul., dated 22nd May 1900,I have the honour to submit the enclosed statement from which it will be seen that,though the total of fixed and results grants assigned for 1899-1900 to those schools which were aided on the results system in 1898-99 was,in the case of the Kurnool district,equal to,and in the case of the other two districts,greater than the amount allotted to them for results grants in 1898-99,nevertheless grants in full could not be paid to schools examined for results grants in 1899-1900 in those districts. Some of the schools in these districts have qualified for admission into the permanent section of the general school list and have thus become eligible for aid on the fixed grant system. These schools have,under the Grant-in-Aid Code, a priority of claim on the public funds over those which are eligible for aid on the results system. Out of the lump allotment made for fixed and results grants,a portion has to be reserved for payment of fixed grants already sanctioned and due for the year and the balance only is available for payment of results grants. Hence every school newly admitted into the fixed grants list reduces the amount that can be spared for payment of results grants. I submit that in these circumstances no assurance can be given to managers of results schools in the
