For Orders

As to whether the exemption applied for may be granted? There appears to be no special grounds for exemption.

The writer will enquire of the copyist what are the rules in respect to that class. Will they have articulated?

To

His Excellency

Sir Arthur Edibank Avelock

Es. P. M. G., Es. P. S. E.

Governor of Fort St. George
Madras.

The humble petitioner of Mirza
Usman Beg Son of the Late
Subadar Major Bhadur
Fareed Beg 9th M. S. Triplicane
Madras.

Most humbly sheweth

That your petitioner begs very
respectfully to present this humble application
for the generous and favourable consideration
of Your Excellency.

That in doing so your petitioner
begs to state that he is the Son of the Late
Subadar Major Bhadur Fareed Beg who died
on the 21st January 1900.

That the petitioner's father after
a meritorious service of 40 years in the military
department was pensioned in June 1878.

That in recognition of his loyal
and faithful services under the Government
the late Subadar Major Bhadur Fareed Beg
received rapid promotion from the rank
of Havildar, he was made a Jemadar in the

21st April 1867, on the 15th March 1869 he attained to the rank of Subadar, and on the 15th April 1876 he was made a Subadar Major and received a medal for Burmah and decorated with the order of British India and during the Delhi Assemblage received the title of Bhadur.

That your petitioner's father was pensioned on Rs 130 a month with which pittance he had to support a large family in consisting of 13 Souls, 7 females and 6 males of whom 3 are students and these 13 Souls now depended upon your Excellency's petitioner for maintenance and therefore his painful position in his present pitiable Condition can be better imagined than described.

That your Excellency's petitioner has passed the Government Middle Examination in 1887 and appeared for the Matriculation Examination in 1889 but unfortunately failed.

That the petitioner entered the Sanitary Department and also worked as a Plague Inspector on Rs 70 a month at Kollegal Taluk Coimbatore District under the Collector Mr. Monsey from 25th November 1898 to 19th May 1900 and

owing to reduction in that Office his Services were dispensed with and the Certificates which are herewith enclosed will talk to your Excellency as to his Character and attainments.

That the petitioner in his anguish and sorrow begs most respectfully with his grand Mother, Mother, Brothers and Sisters to throw himself on the kind Sympathy of your Excellency and to claim your Excellency's compassion on him and their behalf with a view that your Excellency as the Governor of Fort St. George will take a dispassionate view of his lamentable and destitute Condition and be pleased to recommend his unfortunate Case to the Government for some help in the form of exempting him from the Government Upper Secondary Examination.

That in imploring this act of mercy from the benevolent hands of your Excellency the petitioner takes the liberty to state that the Case of himself and of his unfortunate Mothers, Brothers and Sisters is a peculiar one and worthy of the kind and generous consideration of your Excellency and that of the British Government in whose Service the late Subadar Major Bhadur Farooq dedicated the best portion of his life in performing his duties faithfully and loyally, earning the

approbation not only of his Regimental Officers but also that of the Government who recognised his military career, not only accorded him the promotions in his Corps which he merited but also conferred special honors on him as his Regimental records will bear testimony.

That the saddest feature in the case of the petitioner is that the untimely death of his father has rendered him quite penniless, the education of 3 brothers retarded and their future prospects blighted. Your petitioner need scarcely mention that the progress these lads had been making gave great promise of their future. But the hopes of your petitioner have been most cruelly crushed in this direction.

That your petitioner indulges in the hope that this matter will attract kind attention, and may your Excellency be pleased to lend to him the charity he now humbly seeks at your Excellency's hand, and we have never undergone such hard days in our lifetime.

For which act of kindness the petitioner as in duty bound shall ever pray.

Petitioner's hand writing can be seen by this Application.

Stamps are enclosed herein for favourable reply.
