TO

THE Chief Secretary to

Through
The Director of Public Instruction
Madras.

SIR,

The Head Master of the Lower Second
School, Bhadrachallam, Godavari
Agency, has submitted a biennial
increment certificate in favour of the
first three assistant teachers for the
period ending 1-4-99. It has been
found in the case of the third assist.
that he was absent on 10 months' leave
from 8-7-97 up to 12-5-98 without
allowances

Normal Training College at Rajahmundry.

Head Master says that the leave being on active service, the period counts towards pension under art: 449 of the S. R. and therefore towards the increment claimed.

2. The above article appears to be in favour of only those undergoing training at the "Normal and agricultural schools at Madras and Bombay" and the expression Normal School at Madras does not seem wide enough to include schools of the kind in the Presidency such as the Normal Training College at Rajahmundry which ^{has} come into existence

3. I think, however, the art ought to be made applicable to all Training Colleges and request that Government will be pleased to issue early orders.

I have the honor to be,

your most obedient servant,

S. J. S. S.

SIR,

In returning herewith your endorsement No. 551, dated 28th November 1899, referring to me, for remarks endorsement of the Director of Public Instruction, No. 12852 dated 18th November 1899, I have the honour to say that of the two points raised in the letter of the Government Agent that relating to the accrual of increments was disposed of in G.O. No. 652, Financial, dated 4th September 1895. 2. As regards the question whether article 449 ⁱⁿ ~~all~~ ^{normal} schools in the Mofassal, I have the honour to state that as the rule applies only ⁱⁿ the case of the Normal school at Madras the sanction of the Government of India would be necessary to its being applied to other schools.

I have the honour to be,

Sir,

Under article 449(a) of the
Subordinate in pensionable
Govt. service passing through
a course of instruction in
normal & agricultural
at Madras Count the
as spent as service
pension notwithstanding
that while re-...

schools referred to they are treated
bent from their appointments
in leave without allowances.

A question has now arisen
whether this article applies to all
Training institutions in the
vicinity the Accountant. Genl.
during that it does not

The old Normal School at
Madras ^{place} ~~has~~ long ago been
converted into a Teachers' college
transferred from ^{within} the city

Madras to a place called Saidapet,
a better place, a few miles away.
In this institution there is now
a training section attached to the
college at Rajahmundry & there
are smaller training schools in
the district in this Presy.

In the opinion of H.E. The Governor in Council
the time spent by ^{subordinates indispensable for service} ~~students~~ ^{in any of these institutions}
will count as service towards
pension and I am accordingly di-
rected to request that the Govt.
will be pleased to consider
the advisability of making the
alterations in clause (a) part 449
