in the margin, relative
 to the training of a
 Muhammadan as Hospital
 Assistant at the cost of
 Government for employ-

ment in the Amindivi Islands of South Canara, the Collector reports that the individuals who had accordingly been trained and sent to the Islands was recently found guilty of certain charges brought against him by the Monigar and was therefore replaced by another Muhammadan Hospital Assistant. As the Hospital Assistants sent to the Islands seldom remain there for more than a year or two and as difficulty is frequently experienced in securing the services of a Muhammadan Medical Subordinate conversant with Malayalam for the Islands, the Collector recommends that another local Muhammadan lad may be specially trained at the Medical College as a Hospital Assistant at the cost of Government on condition of his binding himself to serve at Amini for 5 years. He states that one Hassan Sahib, a native of Mangalore who has passed the Lower Secondary Examination has accordingly
