To

The Director of
Public Instruction,

SIR,

Madras.

In submitting an application from Mr Chatterton Professor of Engineering, for privilege leave for three months from the 25th August, I have the honour to state that as Professor of Engineering of this College Mr Chatterton enjoys vacations and is not eligible for privilege leave. As regards his duties in the School of Arts, in the Aluminium Department I am not in a position to offer an opinion.

2. If it be decided that Mr Chatterton is entitled to Privilege leave, I have the honour to state that the interests of the College require that Mr Chatterton should be relieved by a Competent Engineer before he is permitted to avail himself of any leave that may be granted.

SIR,

I have the honor to request that you will be good enough to ask Government to grant me three months Privilege Leave from the 25th August.

Since my return from furlough in November 1897 in addition to my duties here I have been continuously in charge of either the School of Arts or of the Aluminium Department of the same and therefore under article 307 of the Civil Service Regulations I am entitled to enjoy Privilege Leave.

I have the honor to be,

Sir,

Your most Obedient Servant

OFFICE OF THE DIRECTOR OF

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

Thro' the Accountant-General, Madras.

SIR,

In submitting the accompanying application for privilege leave from Mr. A. Chatterton, Professor of Engineering at the College of Engineering, I have the honour to say that it will be extremely difficult, if not impossible, to find a substitute for Mr. Chatterton to act as Professor of Engineering and to be in charge of the Aluminium department at the School of Arts.

In view of G.O. No. 174, Educational, dated, 10th April 1900, placing Mr. Chatterton on special duty I asked the Chief Engineer to depute an officer of the Public Works Department to act as Professor of Engineering, but he replied that there is no officer that he can spare. I next applied to the Director General of Military Works and received

the same reply. In my letter N^o 7962 of this
date I have made recommendations for filling
Mr Chatterton's place, but, if adopted, they will
take some time to put into practice. I therefore,
recommend that, even if Mr Chatterton be
eligible for privilege leave, it should not be
granted to him until arrangements have been
made to appoint his successor.

I have the honour to be,
Sir,

Yours most obedient servant

NOTE FOR THE ASSISTANT SECRETARY.

The Director's letter requesting that application may be made to the Secretary of State to select an officer to act for Mr. Chatterton during the time he is employed on special duty in connection with the development of technical trades and industries was sent to Ooty on the 21st Instant. Please see abstract of it at page E. It does not appear that an officer can be got down before at least 6 months, but unless Mr. Chatterton can be relieved of his work in the College of Engineering he cannot apparently be allowed to go on leave as pointed out by the D.P.I.

30/8/00

It will be sufficient to say that Govt. regret their inability to grant privilege leave at present. Officers can be granted such leave only when the public interests permit of their taking it.
