MEMORANDUM.

Dated

31st August 1900.

Endorsement from the Superintending Engineer, VI Circle, No. 966 M.D., dated 18th August 1900.

Transferred to the Educational Department in continuation of endorsement No. 921 D, dated 11th August 1900.

2. The estimate of Rs. 2,130 was called for with a view to decide whether its ~~immediate~~ execution should be deferred as suggested in para 5 of the Superintending Engineer's letter printed with G.O. No. 42, Educational, dated 27th January 1899. As it has since been decided to construct a new residence for the Collector, further improvements to the Tamkam Bungalow are unnecessary, and the estimate is therefore returned to the Superintending Engineer.
