Letter from S. D. Pears Esq, Executive Engineer, North Arcot Division to the Superintending Engineer & Circle No 514 dated Vellore, 17th August 1900.

With reference to your endorsement No. $\frac{160}{NA}$ dated 25th March 1900, communicating G.O. No. 741. N. dated 16th March 1900, I have the honor to inform you that of the two men recommended for exemption, the one named Janakiram was originally a permanent lascar on Rs 6 in this division with a service of 2-6-20 ^{m. dys} which he resigned on 7th April 1898. He was afterwards on 3rd February 1899 reappointed to a vacancy on the temporary establishment. It is hoped that on these grounds his exemption from examination rules may be favourably considered in respect of his former service, experience and good character.

2 The other man Shumoodien was for some time past employed on Work Establishment. He is an active young man and was appointed to a vacancy as passed men were not easily procurable and that pensioners

are generally too old for active work such as is required under an overseer.

3 I should here mention that in April last I invited passed men but have been able to receive an application from only one after a lapse of 4 months.

4 In these circumstances, I request that you will lay the matter before Government for a re consideration of their orders.

Copy submitted to the Chief Eng^r W.D. for favorable consideration with reference to G.O. no 741 W dated 16th March 1900.

In the circumstances now brought to

sanctioned.

Educational C. no 1223

NOTE FOR THE Assistant Secretary.

In G.O. no 232 Educational dated 7th April 1898, temporary and acting peons and lascars in the Public Works Department were exempted from the examination rules till the 1st January 1900. In G.O. no 829 Educational dated 20 December 1899, this period was extended by six months and it was stated that no further extension would be granted. Accordingly when application was made in January last for the exemption of two temporary peons Shamsuddin & Janakiram Pillai, the attention of the Public Works Department was drawn to the latter order.

- vide G.O. no 101 of 26 February 1900 -

2. That Department now requests that these two men may be permanently exempted. Janakiram was originally a permanent lascar on Rs 6 but he resigned in 1898 and was subsequently re-embarked on the temporary establishment. Shamsuddin has for some time past been employed on the work establishment. It is stated that applications were invited from passed men in April 1900, but that one was received after a lapse of four months.

3. Orders are solicited as to whether the two men may be permanently exempted.

They may be.
