OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 26 September 1900.

No. 9565

From

THE HON'BLE MR. G. H. STUART, M.A., Barrister-at-Law,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

I have the honour to request the sanction of Government to provide in the Departmental Budget for next year for an increased salary of Rs.30 and Rs.25 respectively for the clerk and the assistant clerk and storekeeper in the Reformatory School, Chingleput. The present scale is Rs.20 plus a personal allowance of Rs.5 for the former and Rs.15-1-20 for the latter and for reasons set forth in the subjoined extract from the Superintendent's letter on the subject it will be seen that they fully deserve the small increase to their pay now recommended:-

"It is, I think, essential for the efficient working of this institution that the status of these two hardworking and deserving subordinates should also be improved. Their work is onerous and responsible, and it has also considerably increased with the development of the institution during the past seven years in connection with the large number of discharged pupils and increased work of the workshops. Considering the special character and working of this institution and comparing also with the salaries of the clerks in other special schools and colleges in the Presidency, I am strongly of opinion that the salaries of the two clerks ^{in this school} are decidedly low, and inadequate to the amount and nature of work

done by them. The clerical work in this school is at least ~~as~~ heavy and responsible as that of some of the clerks in other schools and colleges, for instance, the second clerk of the School of Arts, Madras, (or the Pottery Assistant as he is designated), the First Assistant clerk of the College of Engineering, the clerk of the Rajahmundry College, the second clerk of the College of Agriculture, the Head clerk of the Teachers' College, Saidapet, and the clerk of the Law College. All these get a salary of Rs. 40 per mensem, but the work done by these officers could not, in my opinion, be heavier or more responsible than that of the clerk and the assistant clerk and storekeeper in this school, while the salaries of these officers are only Rs. 20 with a personal ^{allowance} of Rs. 5 per mensem and Rs. 15-1-20 respectively. This, I would urge, is an important fact which should commend itself to your special consideration for recommending the increased salaries to the clerks in question."

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.

C. No. 1327

SUBJECT.

Permission to provide for increased salaries in the budget for 1901-1902.

FOR ORDERS.

At present the head clerk attached to the Reformatory school, Chingleput, draws a salary of Rs. 20 with a personal allowance of Rs. 5 and his assistant who is also storekeeper, Rs. 15-1-20. The Director requests sanction to provide Rs. 30 and Rs. 25 respectively for these in the budget for 1901-1902. The reason assigned is increased work and responsibility. For increased work, however, increased pay does not seem to be the remedy. It may also be noted that no information is furnished as regards the qualifications of these men or the length of their service. ^{2. The staff} of the school has been strengthened in the current year at a cost of

* This is absolute beside the question. It would be impossible to frame budgets if the receipt for every increase had to be proved. Such questions are for the Government to decide when it is proposed to take action on the proposed

of about Rs. 1400 per annum - vide
