G.O., No. 56, Financial, dated 22nd January 1900.

Read—the following letter from T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th January 1900, Bud. No. 1190/10970:—

I have the honour to submit the accompanying civil budget estimates for 1900-1901 and to offer the following remarks.

9. In conclusion I have the honour to point out that the Public Works figures were only received on the 15th instant, after 5 P.M., the due date for the completion of the budget and transmission to the Local Government and the Comptroller-General, and the submission of the budget has thus been delayed three days. The Survey and Settlement budget figures were only received on the afternoon of the 12th, that for Adjusting Heads on the 11th, Education on the 9th and five other estimates after the 4th of this month. It has therefore been only possible for me to compile under pressure the budgets into one whole, without any efficient check or consultation with the Local Government such as ought to have taken place when the Provincial balances were falling so low. I have the honour, therefore, to request that in future years arrangements may be made that all budgets should be sent to me without fail before the Christmas holidays commence.

Order—No. 56, Financial, dated 22nd January 1900.

9. Separate orders will be passed on paragraph 9 of the Accountant-General's letter.

(True Extract.)

(Signed) G. STOKES,
Chief Secretary.

G.O., No. 292, Financial, dated 21st March 1900.

ABSTRACT.—Communicating to the Accountant-General G.O., No. 402 Ry., dated 12th March 1900, declaring the Tanjore District Board the sole owner of the Májavaram-Mutupet Railway on and from 1st January 1900 subject to certain conditions.

READ—also the following paper:—

G.O., No. 975, Judicial, dated 17th July 1900.

ABSTRACT.—Approving the proposals of the Agent to the Governor in Ganjam for the levy of tolls at Kalingia and Sankarakhole in the Ganjam Agency and for the charging of rental for the use of the sheds in the market-site at Tickaballi; and directing publication in the *Fort St. George Gazette* of notifications extending the provisions of the Indian Tolls Act, 1864, to the scheduled districts in Ganjam, and empowering the opening of toll-gates and the levy of tolls at Kalingia and Sankarakhole in the Agency.

ORDER—No. 834, Financial, dated 27th August 1900.

With reference to the points raised in the proceedings of the Board of Revenue Resolution, No. 3964 (L.R.), dated 11th December 1899, read in G.O., No. 1389, Financial, dated 19th December 1899. noted in the margin, it has been ascertained that the expenditure under 32. MISCELLANEOUS—SUBSCRIPTIONS TO PERIODICALS is booked in the Accountant-General's office in a lump sum without details as to the departments incurring the expenditure. The Accountant-General cannot, therefore, communicate to each head of a department the actuals of his department for the preparation of a departmental estimate. Separate estimates under this head will not be required in future from heads of departments, but the Accountant-General will include the estimate for the item in his MISCELLANEOUS budget estimate due with Government on the 25th November of each year.

2. Certain alterations are necessary in the dates upon which budget estimates received in the Educational Department are due in the Financial Department as given in the appendices to G.O., No. 580, Financial, dated the 5th July 1898.

3. The exhibition under LOCAL from the 1st January 1900 of the transactions connected with the Májavaram-Mutupet Railway renders it necessary to delete the items relating to the railway in the same appendices.

4. With reference to G.O., No. 975, Judicial, dated the 17th July 1900, which will be communicated to the Accountant-General, the Agent to the Governor, Ganjam, will be requested to submit in future estimates of receipts from tolls and market rents along with the estimates due from him on the 15th September under 45. CIVIL WORKS.

5. The appendices to G.O., No. 580, Financial, dated the 5th July 1898, as amended since they were originally issued and corrected with reference to the foregoing remarks, will now be recirculated to all heads of departments for information and guidance. All officers concerned are requested to observe strict punctuality and great care in the matter of the submission of budget estimates. Estimates should be complete in themselves and should never require references from Government for the elucidation of any details.

Report

(2) All the returns due up to date have been received and orders have been passed on all except the reports of the Lawrence Asylum & the School of Arts. Draft orders on these were submitted last week & are now under consideration at City.

(3) My note on the subject has not been returned with orders. It is now in the final department in which a draft order altering certain dates is under consideration. On receipt of this order the Educational department will have to issue orders as to the dates of submission of budgets to that department and so. No 750 of 1st Decr 1896 will be revised.

* Sent direct from City.

The exclusion of the budget from the list appears to have been due to the fact that it was drawn up in the C.S. Dept. & issued in the newly formed Educat. Dept.

Shankar. The final order is in the press & will issue very soon.
