NOTES CONNECTED WITH G.O., No. 512, EDUCATIONAL, DATED 18TH OCTOBER 1900.

The Public Works Department may be asked, with reference to paragraph 9 of the Director's letter dated 10th instant, No. 9154, whether it will be possible to meet Mr. Chatterton's (and Mr. Stuart's) wishes about the appointment of Sergeant Brand.

PUBLIC WORKS DEPARTMENT.

No. 1323 D.

Please say, in consultation with Executive Engineer, South Arcot, whether you can spare Sub-Conductor Brand for the purposes mentioned; and if you decide that you can, ask him if he is willing to accept the post.

18th September 1900.

W. B. DEWINTON.

To Superintending Engineer, V Circle, u.o.

The pay offered is Rs. 400 or about Rs. 100 more than my pay and allowances would be if I were stationed in Madras, and the work would give me fresh experience.

2. My prospects in the Public Works department are, I consider, better than those in the Educational department, so it would not be prudent for me to sever connection with the Public Works department.

3. In the case of my return to the department a few places lost in seniority now would probably in the end more than counterbalance the advantage gained by a temporary increase of pay now.

4. If however my promotion in the Public Works department is to be in no WAY PREJUDICED, I shall be glad to accept the post for two or three years. Otherwise I beg to refuse it.

G. E. BRAND,
Sub-Conductor.

Forwarded to Chief Engineer. Mr. Smith, Executive Engineer of South Arcot, is on leave, so I could not get his opinion as to whether Sub-Conductor Brand could be spared. Unless his prospects are likely to be very much improved by his acceptance of the proposed new appointment, I do not think we should consent to his leaving the department.

A. W. SMART.
23-9-00.

No. 1394-D.

I send the above replies from Colonel Smart, R.E., and Sub-Conductor Brand. I am anxious to give Educational some assistance in this matter, as I have been unable to find an officer for the post of Professor of Engineering at Civil Engineering college, so will not stand in the way of Sub-Conductor Brand's transfer to the School of Arts for three years, nor will his promotion in Public Works department be in any way prejudiced during that period, except that he will be unable to earn recommendations for special promotion.
