ORDER—No. 518, Educational, dated 23rd October 1900.

Ordered that the following letter be sent to the Government of India.

(True Extract.)

M. HAMMICK,

Ag. Secretary to Government.

LETTER—No. 519, Educational, dated Madras, 23rd October 1900, to the Secretary to the Government of India, Home Department.

With reference to Mr. Lusson's letter No. 119, (Education), dated 22nd March 1900, communicating a despatch from the Secretary of State in which the employment of Mr. A. Chatterton of the Indian Educational Service on special duty for a term of three years was sanctioned, I am directed to state that, owing to the difficulty in finding a suitable successor to Mr. Chatterton, this Government has not yet been able to relieve him of his work in the College of Engineering. The Governor in Council has therefore in despatch No. 4 of the 11th instant requested the Secretary of State to select and send out a suitable officer for a term of three years.

2. It was originally the intention of Government that Mr. Chatterton should enter on his special duty after his relief in the College of Engineering by the officer selected by the Secretary of State, but circumstances have led the Governor in Council to order his immediate relief by Lieutenant-Colonel H. D. Love, the Principal of the College, who, pending the arrival of the new officer, will perform the duties of Professor of Engineering in addition to his own. In consideration of the extra work and responsibility thus thrown on Lieutenant-Colonel Love, it is proposed to grant him a special allowance of Rs. 250 per mensem, and I am to request that the sanction of the Secretary of State may be obtained to this arrangement. A similar allowance was sanctioned in the despatch, No. 19, Public Works, dated 29th July 1897, communicated with Home Department endorsement No. 222, dated 11th September 1897.
