The Collector of Chingleput District
Saidapet.

Through The Deputy Tahsildar of
Uthamerur.

Most Honored Sir,

I most respectfully and humbly beg to submit that the Government of Madras has sanctioned the retention of my services till the end of September 1900 on the recommendation of your honor supported by the Board of Revenue, as Minor Irrigation Sub. overseer on Rs 30 in the Uthamerur Division.

I again submit to your honor that I was appointed as Minor Irrigation Overseer of Madurantakam Taluk on Rs 50 in August 1898 on probation for 3 months and I was made permanent in the same appointment in December 1898 on the report.

the Tahsildar and I was as such
till the introduction of the new Scheme,
when my Services were dispensed with.
In this connection I humbly beg to
submit and to bring to your honor's
kind notice that this was ^{the} only
District, in which the old hands
already in service before the intro-
-duction of the new scheme were
thrown out of employ, while in
Belore, North Arcot, Anantapur
and some other Districts, even
unpassed men - a few of these
can only write their diaries in
Vernaculars - have been retained
in service, as Sub-Overseers in
the new Scheme, with the sanction
of the Board. The accompanying
copies of testimonials obtained from
the Principal of the Engineering
College and officers under whom I
served will show your honor what
are my qualifications and what
are the subjects, in which I have
had special training, and how I
had been discharging my duties
entrusted to me in various capacities.

The endorsement of the Tahsildar of
Madurantakam Taluk dated 3-4-97
- printed as the last item in the
enclosed copy of testimonials - on
my previous application will show
how I discharged my duties in
the Madurantakam Taluk and
how the Tahsildar liked my work.
As I am now working in the
Uthamerur Division directly
under the Deputy Tahsildar,
I humbly beg to submit that
I have every confidence that I
worked to his entire satisfaction
and I hope he will certify to
that effect on my application in
support of my humble prayer.
3. I most respectfully
pray, that your honor will kindly
consider all my claims and diffi-
-culties of a family, if thrown out
of employment though qualified
to have it, and thus confirm me
in the present post of Minor
Irrigation Sub-Overseer of
Uthamerur Division on Rs 3

which I now hold

I beg to remain,

Most Honored Sir,

Your honor's most obedient

and humble servant.

CURRENT NO. 1401

Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture),

Dated 24th September 1900
No. 4972 Misc.

The Hon. Mr. Nicholson.

Read the following letter from M. R. Ry. R. V. Srinivasar
Avl., Diwan Bahadur, Ag. Collector of Chingleput District,
Ref on No. 1476/G1 of 1900 dated 12th September 1900 :-
With reference to B.P.No. 2607 Mis dated 29th May 1900,
communicating the ed orders of Government exempting from
the Examination rules A.S. Muthukrishna Mudaliar, Minor Irriga-
tion sub overseer, Uttaramerur Division, till the end of
September 1900, I have the honour to state that the salary
which the appointment carries being only Rs. 30, it has not
been found possible to procure the services of a passed Sub
Overseer for the post. The Chief Engineer, Tank Restora-
tion Scheme, stated in his letter No. 3179 dated 8th February
1900 that none of the qualified men serving in the Tank
Restoration scheme were willing to take up even an Overseer's
appointment on Rs. 60. Mr. Cowie has already reported the
difficulty in procuring the services of qualified men for
Minor Irrigation establishment in para 2 of this Office
letter Dis.No. 425/D dated 2nd March 1900. The Tahsildar of
Madurantakam certifies that the applicant has been found to
be quite as good, if not better than, the passed overseer
in charge of the main division and the Sub Collector, ---

Chingleput

Chingleput, agrees with the Tahsildar in recommending the applicant for confirmation in his present appointment. I strongly support their recommendation and request that the Board will be pleased to obtain the sanction of Government exempting the applicant permanently from the examination rules.

2. The application of the sub overseer is enclosed.

Resolution.

Submitted for the orders of Government.

2. In his letter read above, the Collector of Chingleput applies for exemption from the examination rules of one A.S. - - Muthukrishna Mudali in view to his appointment as a permanent Minor Irrigation sub overseer on Rs.30 in the new scheme of establishment sanctioned for the supervision of Minor Irrigation works. In G.O. No.270 dated 14th May 1900 Government sanctioned the exemption of the person named from examination rules till the end of September 1900. The Collector reports that as the salary which the appointment carries is only Rs.30, it has not been found possible to procure the services of a passed sub overseer for the post and that the Chief Engineer has stated that none of the qualified men serving under the Tank Restoration scheme are willing to take up even an Overseer's post on Rs.60. It is reported that A.S. Muthukrishna Mudali, the candidate referred to, who was a Minor Irrigation overseer on Rs.50 in the old scheme and now holds the post of Minor Irrigation sub-Oversser on Rs.30 in the Uttaramerur division, has been found to be quite as good as, if not better than, the passed overseer in charge of the Main division. In view of the impossibility of securing the services of a man duly qualified by the examination for the post, the Board supports the Collector's recommendation and requests that Government will be pleased to accord the exemption applied for.
