[illegible]

Application for exemption from Examination Rules of unpassed candidates for employment in the South West Division

Name, age and educational qualification of the unpassed candidate for whose employment sanction is sought.	The post in which it is proposed to employ him and the nature of the appointment whether acting temporary or substantive.	The period for which the appointment is expected to last.	The period for which the same person is now sought (with dates of commencement and of termination).	Is this a first application or one for a renewal of a previous sanction. In the latter case quote the previous order granting sanction and state for how long the candidate has been exempted.	What steps have been taken to procure the services of passed candidates and with what result.	Recommendation of the Head of the Department.	Remarks.
1. Hari Raman	Temporary peon		As long as the present incumbent continues to hold the post from 1 st July 1900	First application	As these men have been in employ for some years it is requested that they may be allowed to continue in preference to appointing passed men newly.	Peons of this Department are required to pitch tents, to help in taking measurements of works, to measure with chain while surveying, to use measuring rods, to carry levelling instruments, to hold levelling stakes for the purpose of taking levels. As these men possess such experience their exemption from Upper Primary Examination is strongly recommended with reference to G.O. N. 1915.W. d/ 25-7-99.	
2. Mouthu Naidu	Do						
3. Narayan Ram	Do						
4. Kannosawmy	Do

(Signed) R. N. Arakawamy
Offg. Executive Engineer

N^o 557. W.

Copy forwarded to the Chief Engineer, P.W. Department for favour of recommending the exemption of

2. For the reasons given by the Executive Engineer, the undersigned would support the application. It would be hard to replace these experienced men by passed men who would be quite new to the work, and to which they are not likely to take kindly.

2nd October 1900.

Colonel R. T. Supt. Engineer T. Cochrane
