OFFICE OF THE BOARD OF REVENUE

(LAND REVENUE),

Madras, 16th October 1900. 190

A. W. B. Higgins, Esq.

READ— letter from E.D.M. Hooper, Esq., Conservator of
Forests, Northern Circle, R.C.No. 1154 dated 22nd September 1900.

Forest Reference No. 334, dated 16th October 1900.

The application received from the Conservator of Forests, Northern Circle, for the exemption from the General educational tests of the marginally-noted acting Foresters, 3rd grade, with a view to confirm them in their posts and eventually to promote them to higher grades will be submitted to Government for sanction.

2. It has been the policy of late to introduce into the Forester's class men of suitable physique and natural aptitude for forest work, and having failed to secure passed candidates with such qualifications Mr. Hooper has tried the two men in question as acting Foresters and found them up to their work. The main work of Foresters is reported to be supervision of labour and as the men possess some amount of education in English and have proved their fitness for the work, the Board supports the Conservator's application.

3. If the Government is pleased to sanction the exemption asked for in regard to educational tests the Board will be prepared to exempt Narasimham from the age bar rule.
