1. I have been serving in the Public Department from the 16th year of my age & I have given entire satisfaction to all my European Superior Officers. Copies of Testimonials given to me by H. A. Nicholson Esq. Collector, Superintending Engineer & other European Officers are herein enclosed for your kind perusal.

2. I belong to a very respectable
Kindo family, which may be seen from
a perusal of the said Testimonials
(as well as in the History of Kallakashi

Samasthanam prepared by Dewankabasu
Raghunatha Rao (son) 3/4 of my class
people are recently scattered in different
parts; My old parents have been reduced
to straitened circumstances since my boy
hood & I had therefore no opportunity to
continue my studies till I passed Entrance
Examination.

3. During my 14 years service I have
been drawing Rs 20, 25, 30 & upwards but
especially in the Bellary P. W. D. Executive
Engineers Office as a Temp. Clerk & the Officer
of Testimonials enclosed for your honor's
perusal will show how I discharged
my duties during late famine time as well
as ordinary days. I am bereft of all
assistance & am unimpaired & have to
support about 11 members solely depending
on me (viz poor old parents, young brothers,
sisters. The whole of Bellary can certify
about my poor state & how we are living
if enquired into.

4. I further beg to state that many
persons who are junior to me in service
and inferior to me in educational qualification
& official work have got permanent exemption
from Examination rules. I am for the present
doing Cyclotyping, Fair Copying, Translating
Telugu Annies, & the ordinary Office work.
No doubt, there are good many persons
in the Presidency who are educated as their
parents are rich or by some other means;
but for my case, I am very poor as per Cer-
tificates herein enclosed and that is the reason
for my not passing Entrance Exam.

5. I further request that G.O. No 1201
Dated 25th August 1887 and the endorsement
by H. E. Clerk Esq. the then Executive Engineer
& the present Deputy Chief Engineer may be
perused (Copies enclosed).

6. I beg to state take this opportunity
to approach your honor with a request
to be graciously pleased to exempt me from
examination rules to enable me to get

a permanent job in Bellary P. W. D. when a suitable vacancy occurs. For the present, I am drawing Rs. 20 as ordinary Dept. as Temp. Clerk in Bellary Executive Engineer's Office. In this Bellary District through my numerous advertisements and published in Gazette in making applications from passed Candidates it has proved a thorough failure.

If you completely so that my Certificates they will speak of my efficiency & I hope that your honours will be pleased to consider my long service in the Department & recommend me for exemption from examination rules. I have been on Temp. appointments long enough in the P. W. D. to entitle me, as I venture to think to your honours consideration.

Soliciting Early orders.

Yours most obedient servant
Pothumachetty Gopalasawmy Naidu

TESTIMONIALS GIVEN BY THE EUROPEAN OFFICERS.

Submitted.

P. Gopalasawmy Naidu writes a good and a bold hand. He will be very useful as a correspondence clerk. He has had experience in several offices and his experience fits him, more than a passed candidate, for the duties of a clerk. I doubt however whether Government will exempt him from the Examination rules merely on the remotest chance of his securing a permanent berth but if ever a vacancy occurs in this Division he may be recommended for the same.

Dear Sir,

I am informed that two Clerks on Rs. 30 and 20 per mensem are to be entertained for the Cantonment Magistrate's Court in a few days and that the nominations rest with you. I understand also that these men need not necessarily be passed men and if this is so, may I request you to kindly consider the application of P. Gopalasawmy Naidu for one of the posts. P. Gopalasawmy Naidu is very respectably connected and his experience with the practical routine and working of an office especially fits him for the appointment he seeks. He has some knowledge of the Magisterial work and his testimonials (copies of which will be shown you,) show that he will be very useful. He holds an appointment here on Rs. 30 per mensem but as the appointment will cease shortly in consequence of the cessation of famine, he is anxious to get a permanent footing, tho' on less emoluments.

P. Gopalasawmy Naidu who has for a long time acted in the Anantapur Collector's Office as a clerk is now leaving it having secured a clerk's post in the Local Fund Engineer's Office. He is a very poor man of a good family at Bellary. As he has not been able for want of means to study and pass the necessary examination he has failed to secure a permanent footing in Government pensionable service. He writes a fair hand and is useful as a clerk. During the time under me he acquitted himself to the best of his ability. His conduct has been good.

I have the honour to forward
an application from Temporary clerk P.
Gopalaswamy Naidoo of the Bellary Division
(favourably endorsed by the Executive Engineer
Bellary Division) for permanent exemption
from the examination rules, to enable him to
hold a permanent appointment in the P.W.D.

This clerk has been employed in several
Government Offices, and has evidently perform-
ed his duties very satisfactorily, as can be
seen from the copies of testimonials enclosed.
He was employed in the P.W. Department
during the late famine and worked very well.

Though the clerk is not eligible for a
permanent appointment in any Government

Office, his experience in the P. W. D. would make him a very useful clerk.

In the Proceedings of the Madras Govt No 1201 dated 15th August 1887, the clerk was informed that his application for exemption will be considered on the recommendation of the head of an Office.

I am quite willing to employ him permanently and I shall be glad if his exemption can be sanctioned. The exemption might apply to the III Circle only, as it is difficult to get passed men for the lower grades of clerks in the Deccan.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Engineer,
P. W. Department,

Sir

Enclosure.

Sir,

In reference to G. O. No 2215W
of 15th August 1900, I have the honour to report
that it is impossible to get a sufficient number
of passed men for the P. W. D. clerical appointments
of 15-20 in the Ceded Districts.

2. For a month past I have been trying to get a passed man for such an appointment in the Kernool Division - Out of five to whom the place was offered, one has accepted, but it is not certain that he will come, as he has asked for permission to join at the end of the month.

3. As regards peons I am convinced that it will be many years before suitable passed men can be obtained. The passed men

who

who now and then present themselves are unfit for the work, and inferior to the old class of peons in every respect, except that - perhaps they know a smattering of English.

4. The clerk referred to in my N^o 2606W of 9th July 1900, P. Gopalaswami Naidoo, has special claims for exemption, and in G. O. N^o 1201 of 25th August 1887 it was stated that his claims to exemption would be considered on the recommendation of the head of an Office.

This recommendation has now been made by me.

5. If educational requirements must be considered before the convenience of the Officers of the P. W. D., it is possible, with very considerable correspondence and trouble, to arrange for filling clerical posts with unpassed men, temporarily exempted for short periods. It is not a good arrangement, and very often in the lower grades, the unpassed man is a much better clerk than the matriculate.

6. In the matter of peons however, the question is a serious one. The work of the Department will suffer if Officers are not allowed to services of useful peons. The older

men

men are gradually leaving the Department by death or retirement, and their places have to be filled either by temporary men or by unsuitable passed men.

The former are not entitled to pension and the pay of peons without pension is insufficient. Honest, hardworking and useful men cannot be obtained under the present rules and I most strongly recommend that at least five years extension be given to the order in N^o 839 Educational dated 20th December 1899 communicated with G. O. N^o 3340W dated 21st December 1899.

I have the honour to be,

Sir,

NOTE FOR THE ASSISTANT SECRETARY.

The Supg-Engineer, 3rd Circle, submits an application for exemption from the examination rules of P. Gopala swami Nayudu who has been a temporary clerk in the Bellary division for some years. The Supg-Engineer states that Gopala swami's experience in the P. W. D. would make him a useful clerk and requests that he might be exempted for employment in the 3rd circle only as it is extremely difficult to get passed men for the lower clerical appointments in the Deccan. If exemption is granted a limit of salary also, say up to Rs 25 or Rs 30, would be necessary. Orders are solicited.

25/7/00 The man may be permanently exempted. & the question of pay left alone.

It should be reported if attempts have been made to get passed Candidates without success. Exemption can only be granted where it is unopposed to get passed Candidates.

20. Mr. D. D. 2/8

This is to rule we have always followed. I believe and as regards the Ceded districts it is important to encourage men who pass.

For the A.S.

Educational Department
Cno 1475.

With reference to the enquiry above made the Superintending Engineer, 3rd Circle, now reports that it is impossible to get a sufficient number of pass men for the P.W.D. clerical appointments of the Rs. 15-20 grade in the ceded districts. He has been trying to get a man for a similar appointment in the Kurnool division, but out of five to whom it was offered, four declined it.

2. Gopalaswami Nayudu on whose behalf exemption is now sought, submitted an application on his own account in 1887 when he was informed that it could be considered only on the recommendation of the head of an office desiring to employ him. The Superintending Engineer wishes to be such head of an office desirous of employing him.

3. Under the circumstances the exemption may perhaps be granted.
